

## AMENDMENTS TO AUSTRALIAN RULES OF RACING

*Approved by Tasracing 19th October 2018, Effective Immediately*

### Weighing-in Light

**Summary:**

AR.47(3)(b) currently refers to a rider being allowed to weigh-in light by a half kilogram “for the weight of his bridle”.

On 1 August 2018 an amendment to AR.143(a) was made to reflect that jockeys are simply allowed to weigh in light by a half kilogram, such that the reference to the bridle is not required.

This amendment is being made for the same reason.

**1. Amend AR.47(3)(b) as follows:**

**AR.47**

...

“(b) in which it carries less weight than the weight it should carry, shall be disqualified for the race, provided that a rider shall be allowed by the Clerk of the Scales a half kilogram.”

**Date of Effect: 12 October, 2018**
