RACE 1 : This is a three year old and CO non winners. OLIVERS MATE (9) is getting very close to a win after his last run in where he led up the three wide train and kept coming. This look's easier and is much better drawn here as will get a good run early and will take plenty of beating. VINCENT CAN GO (5) does have a bit of ability and he resumes here into a winnable race. They will look to push forward early and if can lob handy will be a danger. OSCAR BLAKEDON (3) gets back to the front line here so with a safe beginning will take plenty of holding out. SABOTAGED (7) resumed with a solid effort last week. This is much easier so if can slot in somewhere can run a race at odds. MAILIE ROSA (10) comes off a trial win so will pay to keep safe.
