

Burnie 20th March 2015

RACE 1 : This is a C1 or better stand to start the night's racing. LIFEISWHATHAPPENS (1) is pretty safe away from the tapes so if lobbed on top will take plenty of running down around here. KAROOLA TOWN (2) is well suited from the draw so has a chance at odds. RED SUN BLISS (11) won well last week but will find this harder from the 10m mark around here but if can get a cart into the race can win. MONARCO PLAYBOY (9) has shown at his last couple of runs that a win is not far away so keep safe. TOUCHWOOD TEEKSTA (6) , CITY BABE (7) and ABSTRACTION (10) are all capable on their night so are a must for the exotics.

He draws the top of the track here but I'm sure will he will still take plenty of holding out. GOINSENIAL (1) is a half sister to the best horse I've seen in the great Blacks A Fake. She draws the pole so if steps safely is sure to be thereabouts. TWENTYTHREERED (2) was good on debut and should be improved by the run so will pay to keep safe. BAZZAS VILLAGE (3) is a first starter from the Craig Hayes stable so will pay to keep very safe.

WASONIE SNAKE (2) does have a bit of gate speed so is likely to sit parked so has an e/w chance. METROLIZA (3) was much better last start so a win is not far away for her so is a must for the exotics along with BUCKINGHAM BOY (7) who draws to get a good run. REALLY FIESTY (5) and MY KODA KASPER (8) are both very capable of winning this with the right run so keep safe.

always a chance in these races and can ping the tapes so is a must include. MELPARK MAESTRO (9) was set to big of a task last time. He will find this easier so with a safe beginning can figure. GIVITANAME (3) and MUSSLEROE BAY (6) are next best and can win with a little luck.

CHIRAC (9) is a very handy type resuming but may not be suited around but is too good to leave out. LIKE IT IS (1) has the pole so if pings to the lead will give them something to chase. ODINS CALL GIRL (5) is another that can ping the tapes so if she lobbed on top she too can win. LE WI BULENT (6) has been racing well and with a safe beginning will settle handy so is a must include. BOUTIQUE ART (4) and ROBERT MOREAU (8) are both racing ok so are a must for the exotics. LE PREMIERE (10) will strip fitter for last run so keep safe.
