ANOTHERMETRO (3) does have a bit of gate speed so will be hoping to find the pegs first and if does can give some cheek. BOBBYJOE (7) is another that can get off the arm quickly so he too can be a good hope if gets across. MY MATE NICK (8) is having his first local run. CHARLIE JAMES (3) looked home last week when got run down late. He will strip fitter for the run so will be very hard to beat here. ISTHATYOUJIMMY (2) returns from a good let up but he does draw to get a good run just behind the speed so has an e/w chance. GANGHAM DANCER (5) is having his first local

run. He did have reasonable form in Queensland so will pay to keep safe here. GIFTED COURAGE (6) has showed glimpses of ability when he settles so a forward showing wouldn't surprise.

BLUE CHIP HARRY (1) has drawn ideally to run a race at odds as look's the leader. LICKYALIPS (2) , PUNT ROAD DISCO (9) and JODILA (10) can all run a race at odds with the right run.

WHODEANI (2) has come up with the best from the fancied runners so will get every chance to get back into the winners stall. MODERN RULER (5) is a tough type who can do a bit of work in his races so if lobbed in the breeze will be in the finish. OUR CHAIN OF COMMAND (12) is an old veteran now but is still racing well. He will be hoping they go hard up front so he can have the last run at them. REMEMBER JOE (6) was much better last start and is well suited here as he grows a leg in front and has a sneaky hope of finding the top so if he does he will give plenty of cheek. MOTU CRUSADER (13) has just struggled a bit of late but is better suited here by the mobile conditions so is a must include. ARDLUSSA EXPRESS (1) what a job Deb Williams has done with here. She has gone to a new level of late but this much harder but can run a place at odds. Stable mates TRULY BLISSFULL (9) and DODGERMEMATE (10) are racing and can run a race at odds and are a must include in the multiples. MY HAYLEY ROBYN (5) if found the top will give a bit of cheek.

RACE 6 : This is a very good C2/C3 affair. ANGELA DE MARCO (2) is very placed here after drawing two. She has the speed to push forward so may find the lead or even sitting parked she will take plenty of beating. METRO DIGBY (13) is finally starting to deliver for his connections which is great. He will have to step up again here from outside the back row over the mile but his too good to leave out. FRANCO SHEFFIELD (8) has drawn to get a cheap behind the leaders so if he gets a crack at them can win. ROCKBANK DANCER (1) draws ideally as can hold up if they like but does race best with a sit so is a must include either way. LA EBONY KITA (3) , BOLTNMACH (11) are next best.

TINKERS TAXI (4) has had his chance of late but this is probably easier that past couple so a winning chance. OUR SPUNKY MONKEY (3) has been thereabouts of late and will get a good run in transit so is a must include. AVENTADOR (1) is resuming here and draws perfectly to run a race so will pay to keep very safe. GRINABLE (2) was good last start in a much tougher race so is another that has a chance. ROUGHIE : GRINABLE (2) will run a race at odds.

RATINGS : 5 – 2 3 4 – 18 – 6 7

RACE 8 : This is a two year old to finish of the night with a disappointing four horse field. We will see the debut of one the highest priced yearlings from the sales last year. BLINGITTOTHEMAX (4) cost 145k at last year's Sydney APG Sales. He is a very well related colt and comes off two impressive trial efforts so he should take care of this field. His stable mate SULTAN FELLA (3) has one two from three so loom's as a danger as does the improving GOGGO GEE GEE (1) who is getting better with racing and was impressive last start. PAUL DONALD (2) is a first starter who may find this a bit tough on debut.

TOP PICK : BLINGITTOTHEMAX (4) will be too classy for these.

DANGERS : GOGGO GEE GEE (1) and SULTAN FELLA (3) are next best.

RATINGS : 4 – 1 3 - 2
