**RACE 1** : This is a C1 to kick off the night's racing. STONER RAINBOW (4) has been racing very well and this look's his race after his last start third behind two very smart types. He may be the early leader so really look's the hardest to beat here. MES ELSU (6) is racing in great form and deserves to breakthrough. He will be looking to get a cart into the race and if does will take plenty of holding out. **RACE 2** : This is a tricky C2/C4. FRANCO SHEFFIELD (2) is very well suited here and gets his chance to get back into the winners stall.
