BALDOCK (9) has been racing well of late and draws to get a good run through so will be in the finish. RACE 2 : This is the first division of the C1/C2. SPRINGFIELD TATTOO (1) has been racing much better of late and is getting close to another win. He will hold up here so as long as gets a fair run in front will take plenty of running down. JAZZY JANE (3) will find this easier than chasing a very smart one last time. She will have to do the work here but can still win in doing so. RAMPLING (8) will be much fitter for his first run back. He draws to get a very cheap run so can win. RACE 3 : This is the better of the two C1/C2 races. MISTER LENNOX (3) resumes from a bit of a freshen up and draws ideally. He will be hoping to settle handy or work to the lead so is sure to take plenty of beating. MILEY ROSE (8) is a very classy mare who will be a huge danger as she has fitness on her side she just has to overcome the tricky draw. LIVIA DEGEROLSTEIN (1) draws ideally and if takes a sit has a great place chance at odds. TINKERS TAXI (6) is racing very well but will find this

much harder so place look's best. ONEMORELAUGH (10) had no luck last week so go on previous form which was very good so is a blowout chance at odds. ME MATE LES (5) is racing well so can fill a minor exotic placing.

She draws to get a great run through and will be suited by a bit of speed on early so will take plenty of holding out. GEORGEFROMGUAM (2) had every chance last week when got run down. He will zoom to the lead again here so if gets a better run in front can win. ROBYN SCHERBOTSKY (3) done plenty of work in that race so will pay to forgive. She will be driven a bit quieter here so can get over the top them with the right run. PUSHKIN (1) is having first local and comes here with good Victorian form so will pay to keep very safe. RACE 5 : This is the three year old fillies Championship. MAVIS MERLE (3) was good winning on debut at Spreyton after a perfect drive from James Austin. She draws inside her major rivals so if she keep that advantage early she can make it back to back wins. IMA GINGER ROGERS (4) was very impressive winning at Devonport last week in where she found the lead and won very well so with a repeat run will take plenty of beating. SAFETY GIRL (8) is much better suited here as she will get a good run through and she has proved she is very capable of winning this. IDEN MAKIN TIME (6) is a handy filly who can do a bit of work in here races so has a good e/w chance. JOKER WILD CARD (5) and DAYS LIKE THIS (7) were both handy 2yo fillies but haven't shown anything as yet so I'm prepared to risk here.

He did all the work last start and got run down late so if can get it a bit easier will be hard to beat again. DEVILISH SMILE (11) returned from over a three and a half year absence with a good win. He will find this harder from the draw but his class is sure to take him a long way. RUN RIPALONG (5) is very quick from the gate so may look to get over early and if did can give some cheek. MODERN RULER (4) was a little unlucky last start. He will look to push forward early so if found the breeze can win at good odds. The giant killer of Tasmanian harness racing ARDLUSSA EXPRESS (9) will get a good run through early so has to be a chance again and make it four on the trot. RIVERBOAT JASPER (1) has drawn the pole but has no gate speed so may end up three pegs so place look's best. TRULY BLISSFULL (6),DODGERMEMATE(8),LIVIN IT LOVIN IT(12) can sneak a minor place with the right run. MOTU CRUSADER (13) looks only a shadow of the horse we seen dominate our feature races for the past two seasons so prepared to wait until see's something like his old form.

DANGERS : MODERN RULER (4) looks the danger along with DEVILISH SMILE (11).

RACE 7: This is the four year old Classic. CHOPSTIX BORIS (8) has returned in great fettle and was a dominant winner last week in where he came from last at Devonport. He will find this harder but if his close enough he is the one they have to beat. MICKWILLREV (7) is a very smart type who just couldn't get into the race last week. He will some luck from the draw but I'm sure his classy will take a long way to winning this race. SOMETHING EYRE (5) built up a very impressive record as a three year old. He resumes here and has drawn inside his main rivals so will be thereabouts. VANDE VELDE (6) is much better than his recent form so will pay to keep safe at odds. METRO DIGBY (10) on his best behaviour he can make this race very interesting so will pay to include. CARDINAL SPEC (2) and FRANKIE FALZONI (3) are both capable of filling a place at odds.

RATINGS : 8 – 5 7 – 2 6 10 – 3 4 – 1 9

RACE 8 : This is a very open C5/C7 in where all runners have some chance. WHISPER JET (4) will find this more to her liking instead of coming of back marks in the country cups. She does have a bit of

gate speed so may push forward early so has a good hope. CLAMOROUS (6) is sure to strip fitter for last start and if his at his best he will beat these just not sure if his ready to win. MELOLYN (7) is racing very well but draws the top of the track but is still good enough to win. BLUE CHIP HARRY (2) is a tough type who fought them all off last start he find the top again so has a sneaky hope at odds. DRILLER MAC (3) disappointed last start when had a dream run.
