IZAHA WINS \$40K GLOBE DERBY FINAL

Story: Peter Staples

Photography: Stacey Lear

IZAHA continued his journey of developing into a top-line pacer with victory in the \$40,000 Roberts Equine Supplies Globe Derby Final over 2200 metres in May.

The Roll With Joe-Our Zellweger three-year-old, trained and driven by Todd Rattray, took his career record to six wins from 11 starts with an exciting half-neck victory over Feelin Dusty with Dufrense five metres away third.

“When I saw the draw I was a little worried but we ran the gate from the second line and when Rohan dropped anchor on Dufrense up outside the leader turning in to the back I thought it was time to make a move,” said Todd.

“He was travelling well to the home turn and Feelin Dusty was still right there but I was working on the theory that my main danger was Dufrense who was jammed up behind me. It was a matter of waiting as long as I could to go for him and when I did he responded just the way I hoped, he finished off in 57.4 seconds. It was however more of a tactically run race than a speed-test.”

Izaha is drawing his fair share of comparisons to his brilliant half-brother Harjeet, winner of this season’s \$75,000 Maxfield Drilling Easter Cup and \$40,000 Raider Stakes.

“Izaha has a lot of speed. If we can work on his strength we may have another Harjeet on our hands next season, you never know but you can always hope,” said a wishful Rattray.

“Dad has worked hard on the breeding side of the business and he’s done a great job. Izaha’s sire Roll With Joe is a full brother to champion sire Bettors Delight but nowhere near the price and he is also the sire of Ignatius and Arts Treasure that James has up in New South Wales. He’s certainly making a name for himself in the breeding world.”

PROGRAMME CONDITIONS

3YO & Older Races - Age or Career Penalty

The handicapping penalty applicable to winners of 3YO and older races will depend on the age of the winner and the stake money for the race. Penalties for 3YO's may include 3CP, 3RP, CP and/or RP. Penalties for 4YO and older winners will be CP and/or RP. For more details, please refer to the Australian Handicapping Rules at www.harness.org.au/rules/AUSTHCPR.PDF.

3YO and Older Races - PBD/LTW and PBD/TSW Barrier Draws

PBD/LTW and PBD/TSW do not include 3R penalty, R penalty, penalty exempt or penalty free wins.

Races Divided by Points

When races are divided by points (high and lower points divisions), the Unfulfilled Engagements and Extended Races policies do not apply if the total number of acceptors is equal to, or less than, the combined field limits.

3YO & Older Non Winners in 2YO Races

From 1 January 2017, 3YO and older non winners (C penalty races) can accept for 2YO races.

The conditions are:

1. 3YO and older non winners (C penalty races) with 20 or less field selection points are eligible to accept for standard 2YO races.
2. When a standard 2YO race receives five or more 2YO acceptors, the 3YO and older non winners will be excluded from the race.
3. When a standard 2YO race receives four or less 2YO acceptors, the 3YO and older non winners will be included and selected from the lowest points first until a maximum field of eight acceptors has been achieved.
4. When 3YO and older non winners are included, trainers can withdraw 2YO's penalty free prior to the fields being released.
5. The barrier draw for a standard 2YO race that includes 3YO and older non winners will be PBD/2C/ Age.
6. The race distance will be as close to, but not less than, 1609 metres as the track configuration allows.
7. 3YO and older non winners (C penalty races) cannot accept for 2YO feature races.

Claimers in Open Class Races

In order to provide claimers with a continuity of opportunities to race, they will be permitted to race in C3+ races where the conditions stipulate.

Claimer eligibility will be determined by aligning the claiming price with the class of the race. For example, a horse with a claiming price of up to \$3,000 will be able to nominate into a C3 race, a horse with a claiming price of up to \$4,000 will be able to nominate into a C4 race, etc.

Concessions will operate as per the Mares Concession and Novice Driver Concessions as approved from time to time.

If ballots are necessary, those horses eligible for the race by way of their claiming price shall be classified as racing below their assessment and shall be first eliminated.

In races where the draw is (or is in part) a PBD/C, horses eligible by way of their claiming price shall be drawn at the end of each class. For example, horses with a claiming price up to \$5000 will be eligible for a C4/C5 race if the conditions permit and horses with a claiming price up to \$4000 will be drawn after the C4 horses, but before the C5 horses and the horses with a claiming price of \$5000 will be drawn after the C5 horses.
