2019 HARNESS SALE

Carrick Park
16 Feb 2019

Story: Shane Yates
Image: Stacey Lear

Lot 5 Stonebridge Regal-Judging Amy colt
\$6,500

The 2019 Tasmanian Harness Yearling Sale held at Carrick in February will go down on record as one of the most successful in recent years.

Buyers took full advantage of a catalogue featuring the progeny of classic-winning and winning producing dams as 11 yearlings went through the sales ring.

A Bettors Delight-Vernett colt offered by Melissa Maine topped the sale with Viv Clark successfully bidding \$24,000.

Leigh Dornauf entered a filly by leading US import Sportswriter from the Village Jasper mare Mon Soie.

Leigh was rewarded with spirited bidding resulting in a successful \$20,000 bid by the state's leading trainer Ben Yole.

The filly is the first foal of Mon Soie which won seven races including the Belmont Stakes and accumulated in excess of \$50,000 in stake earnings.

Craig Hayes was in the buying mood picking up the Four Starzz Shark-Ima Merry Jasper filly offered by Shelley Barnes for \$15,000.

The filly is a half-sister to Shelley's top race mare Angel Or Demon (1.56.6), a winner of 10 races including the Matron Stakes, Mother Of Pearl and Coastal Pacing Thousand, with stake earnings of \$55,000.

The selling percentage at the sale was in excess of 80% with only two lots passed in, total sales topped \$87,000 with an average sale price per lot of \$9,666.

2019 AFDC AUSTRALIAN FEMALE DRIVERS CHAMPIONSHIP

Hannah Van Dongen and Samantha Gangell will represent Tasmania in the Australian Female Drivers Championships at Albion Park in Queensland on March 9.

Hannah and Samantha have both enjoyed sensational seasons in the sulky, Hannah sitting on top of the Tasmanian Leading Female Drivers table with 12 victories while Samantha is hot in pursuit on nine wins.

The young stars will take on the leading female drivers from around the nation led by Victorian World-record holding reinswoman Kerryn Manning.

For Samantha to drive alongside the legendary Manning is a dream come true. "I remember when I was six years of age (2005) and Kerryn came to Launceston to drive and I walked up to her and asked for her autograph, she smiled

and asked me if wanted to be a driver one day, so to now have the opportunity to drive against her in such a prestigious series on the national scene is unbelievable," said Samantha.

"I'm looking forward to joining Hannah in representing Tasmania, we have both enjoyed a good season to date, I've been fortunate enough to join the Ben Yole stable and that has been a great experience and it has opened up a lot of opportunities for me which I'm very thankful to Ben for."

The Series has been robbed of one of its star attractions with reigning AFDC titleholder Danielle Hill forced out of the Series after a horrific race crash at Globe Derby a fortnight ago.

Danielle dominated the inaugural staging of the Championship in Launceston last year winning five of the nine races decided.

Two of the leading lights in Queensland Kylie Rasmussen and Narissa McCarthy will represent the home state while KerryAnn Turner and Ellen Rixon will fly the colours of New South Wales.

Kerryn Manning and Kima Frenning will mount the Victorian challenge with Lisa Ryan and Kaela Hryhorec will attempt to defend the title won by fellow South Australian Danielle Hill, while West Australian's Madeline Young and Emily Suvaljko will make the long trek to Albion Park.

The Australian Female Drivers Championship forms part of the Team Teal Campaign, which aims to raise funds for the Women's Cancer Foundation.

Harjeet

HOBART'S PACING CUP KING

Tasmanian champion Harjeet stamped his authority over the state's top pacers in the \$25,000 Triple M Hobart Pacing Cup.

The five-year-old Rocknroll Hanover-Our Zellweger gelding, trained and driven by Todd Rattray, showed his class over the staying trip of 2579-metres to win by 5.2-metres over a gallant Isaac.

"We got a nice run through from outside the second line and settled just worse than midfield and when the pace slackened I thought it was time to wander up toward the lead and test the waters a little," said Todd.

"Harjeet (pictured) travelled up to the leaders smoothly so we just rolled past and he travelled sweetly from there, when we lifted the tempo inside the last half it was really only Isaac that could go with him."

Isaac, the Juanita McKenzie-trained Devonport Cup winner, switched to the Roberts Sprint lane at the top of the home straight and closed within two metres but the champ had other ideas.

"To his credit Isaac got a little close for comfort at one stage, we thought Harjeet would run on a little better than he did but he had switched off and was drifting up the track, the motor kicked in again when he knew he was being challenged and he got the job done (5.2-metres) so hopefully he'll be better next start."

Harjeet is now an M3 so if heading the way of the Tasmania Cup and Easter Cup he will be looking at a 30-metre handicap or there may be a trip to the mainland on the cards.

"I will have to talk to the owners, we would like to take him over at some stage, we'd have to make sure he's right in himself but it might be time now," said Todd.

"He gets away well from the stand now and puts himself in it but obviously you still have to make up that ground too, Scooterwillrev is still an M0 and he's a pretty good horse and there are few others around."

Todd capped of a successful day with Joogle breaking her maiden status in the \$10,000 TTC Members Pace.

Bianca Heenan kept her sensational season rolling by training a winning double with Trumps Golden Boy taking out the Aldebaran Park Hobart Trotting Cup and Alta Surreal, with Hannah Van dongen in the cart, capturing its fourth win of the season.

Hannah went on to extend her lead in the Leading Female Drivers award steering the Mark Reggett prepared Dasher Houli to back-to-back victories by taking out the Tab Park Elwick Pace.

The heavily backed Beam Me Up Chopper (\$3.50) put up a herculean performance to win in the Crown Lager Pace for Kate MacLeod after being never closer than three off the peg line while Ektoras overcame an outside draw to salute at odds of \$31.00 in the Olympus Feeds Pace.

Four-year-old mare Ideal Bliss, guided by Rohan Hillier, returned victorious from an eight-month spell for Paul Hill while Tilly Max made a successful debut for trainer-driver Paul Ashwood in the two-year-old.

WHAT IS TEAM TEAL?

For six weeks from the beginning of February each year, all reinswomen in participating jurisdictions race in teal driving pants, striving to be first across the line to secure donations from harness racing controlling bodies, betting partners, trainers and other sponsors.

The campaign is supported by reinswomen ambassadors in each state across Australia and New Zealand who wear Women's Cancer Foundation silks (racing tops) when competing, along with clerks of the course in teal pants and silks.

The success of Team Teal not only relies on sponsorship by principal sponsors, but also on the fundraising efforts of the wider harness racing community, the campaign is increasingly

embraced with additional fundraising coming from, but not limited to:

- Clubs matching donations for victorious drives by reinswomen at their tracks.
- Trainers sponsoring the wins of their drivers, male or female.
- Drivers and trainers pledging fees and percentages, in whole or in part.
- Racegoers purchasing a teal awareness ribbon or wristband.
- Clubs promoting a Team Teal Race Day and seeking admission by donation, etc.
- Local Communities, Individuals, Clubs and associations hosting their own fundraising events or making direct donations.

PROGRAMME CONDITIONS

3YO & Older Races - Age or Career Penalty

The handicapping penalty applicable to winners of 3YO and older races will depend on the age of the winner and the stake money for the race. Penalties for 3YO's may include 3CP, 3RP, CP and/or RP. Penalties for 4YO and older winners will be CP and/or RP. For more details, please refer to the Australian Handicapping Rules at www.harness.org.au/rules/AUSTHCPR.PDF.

3YO and Older Races - PBD/LTW and PBD/TSW Barrier Draws

PBD/LTW and PBD/TSW do not include 3R penalty, R penalty, penalty exempt or penalty free wins.

Races Divided by Points

When races are divided by points (high and lower points divisions), the Unfulfilled Engagements and Extended Races policies do not apply if the total number of acceptors is equal to, or less than, the combined field limits.

3YO & Older Non Winners in 2YO Races

From 1 January 2017, 3YO and older non winners (C penalty races) can accept for 2YO races.

The conditions are:

1. 3YO and older non winners (C penalty races) with 20 or less field selection points are eligible to accept for standard 2YO races.
2. When a standard 2YO race receives five or more 2YO acceptors, the 3YO and older non winners will be excluded from the race.
3. When a standard 2YO race receives four or less 2YO acceptors, the 3YO and older non winners will be included and selected from the lowest points first until a maximum field of eight acceptors has been achieved.
4. When 3YO and older non winners are included, trainers can withdraw 2YO's penalty free prior to the fields being released.
5. The barrier draw for a standard 2YO race that includes 3YO and older non winners will be PBD/2C/ Age.
6. The race distance will be as close to, but not less than, 1609 metres as the track configuration allows.
7. 3YO and older non winners (C penalty races) cannot accept for 2YO feature races.

Claimers in Open Class Races

In order to provide claimers with a continuity of opportunities to race, they will be permitted to race in C3+ races where the conditions stipulate.

Claimer eligibility will be determined by aligning the claiming price with the class of the race. For example, a horse with a claiming price of up to \$3,000 will be able to nominate into a C3 race, a horse with a claiming price of up to \$4,000 will be able to nominate into a C4 race, etc.

Concessions will operate as per the Mares Concession and Novice Driver Concessions as approved from time to time.

If ballots are necessary, those horses eligible for the race by way of their claiming price shall be classified as racing below their assessment and shall be first eliminated.

PROGRAMME CONDITIONS Cont

In races where the draw is (or is in part) a PBD/C, horses eligible by way of their claiming price shall be drawn at the end of each class. For example, horses with a claiming price up to \$5000 will be eligible for a C4/C5 race if the conditions permit and horses with a claiming price up to \$4000 will be drawn after the C4 horses, but before the C5 horses and the horses with a claiming price of \$5000 will be drawn after the C5 horses.

Race meeting details in this publication are published on behalf of Tasracing and the Office of Racing Integrity and reserve the right from time to time to alter the date of running, to make any alteration or modification to these races, to alter the sequence of races, to cancel the meeting or any portion thereof, and to alter the time for taking entries, declaration of handicaps or acceptances, and also the right to reject, at any time, any entry submitted to or for them.

All races programmed will be run according to the Tasmanian Rules of Racing and under the Australian Handicapping Regulations unless specified in the conditions of the race or in the General Conditions and Definitions adhered to by Tasracing and the Office of Racing Integrity.
