VANDER JENKINS (8) was very impressive last start. He is the lone runner off the back row so will get every chance to round these up so has a great winning chance. BOLTNMACH (4) is another racing and can do it tough in his races. He will push forward to find the breeze and is sure to be in the finish. ORIGINAL ART (5) was much better last start so with a bit of luck in the run can figure. ROCKET SEAL (1) and EBABE (2) both draw to get runs so have to be included in the chances. RACE 3 : This is another division of the C1. STREZLECKI WILDONE (1) resumed last week from a lengthy break in where she never had much luck. She draws the pole here so expect her to improve big time as she has the speed to hold up then from there will take plenty of running down.

ANGKRISTY (2) was a good winner three runs back. She draws well here so if she was able to get across the pole marker will give a bit of cheek. BRIDESTAR (3) will pay to forgive latest run when had no luck. He draws well here so can figure in the finish. TERROR JONES (5) has had a little freshen up gets into a winnable race if she produced her best so keep safe at odds. IVE GOT OOMPH (7) is capable of pulling out a run at times. He draws the top of the track but if gets into the race at some stage will battle away well. ROBERT MOREAU (4) , PARIS EXPRESS (6) and ZOOMBA (8) are all capable of filling a minor place at odds.

He draws well again here so will be hoping to find the top and if does will be the one to beat. GIULIANI (10) is another very smart type who has drawn to follow him through so will be up and around them early so will try and dictate from the breeze so is a huge winning chance. He draws the pole here and does race better with a sit so may hand up then will have to rely on getting a crack at them but can win if he does. RACE 6 : This is a stand start discretionary where Zeke Slater holds the key with four runners. STAR CHAMBER (2) did win the Show cup last week pretty well but lost the race on protest as went inside the marker pegs. He should be able to zoom to the lead tonight then will more than likely take a sit so if he gets a crack at them will take holding out. SPOT NINE (7) has been a revelation since been taken over by Zeke and is very adapt to the stand start. He goes back to the 20m here so will find this harder but you can't leave him out. RUN RIPALONG (6) is another handy type resuming from a break who can sprint quickly with the right run so keep very safe. He will be hoping they run along up front. KARALTA DAZZLER (5) will find this a little easier than latest run when had no luck whatsoever. He will push forward so will be on the pace throughout so is a leading chance. ISLAND DISCO (1) is a handy mare who is drawn to get every chance so has to be included. BLUE POINTER (6) is a handy type resuming from a break so will pay to keep safe. TANGO TERRIFIC (2) has been racing very well since being taken over by Chris Howlett so is a must for the exotics. RATINGS : 5 – 1 2 6 7 – 3 4 8 9

RACE 8 : This is another C2/C3. This is a very open race MISTER PINJARRA (6) won well at his first run in the state. He is sure to have come on from that so is going to take plenty of beating here. GO LIKA SAAB LOMBO (9) will appreciate this easier assignment so with the right run he will take holding out at e/w odds. RATINGS : 6 – 5 8 9 – 3 4 7 – 1 2

RACE 9 : This is a C1 or better stand to finish the night. LE PREMIERE (6) returns from a successful stint in Victoria in where he won a few races. The big query is the stand start as he can be hit and miss so if he pings away he is clearly the one to beat. UNCLE BUZZ (1) led in a similar race to this last week and only got run down over the concluding stages so with a similar effort here is a danger. AVENTADOR (4) battled away well last start so if steps safely is a player in this line up. STRANGE CONDUCT (3) can ping the tapes so if he lobbed on top can give a bit of cheek at odds.
