

## Launceston 13 June 2013

**RACE 1 :** This is a race for the two year olds. SMILETURNER (2) won well on Monday night leading throughout in a three horse field. There is no reason why he can't make it two on the trot here. CHARLIE JAMES (9) ran 2<sup>nd</sup> in that same race when loomed up to win but just couldn't run him down. He will be much fitter for that run but draws inside the back row so will need a little luck but if gets is a huge danger. KARALTA JAZZMAN (7) will find this much easier than his last few in where he took on the best youngsters in the state. He will push forward from out here so is a winning chance. MOBI DOC (10) broke through for a good win at Devonport in stand start affair. He will find this a bit tougher but with the right run has an e/w chance. AUGURAL (6) is a first starter that has trialled fairly so has to be kept safe.

**RACE 2 :** This is the Prelude on the Bullock Consulting Bandbox Sires. FAITHFUL GABBY (9) is a very smart filly and proved that last start with a devastating win in the Princess of Pace. She will get a great run through early so will get around them early and dictate the race so whatever beats her will win. MILEY ROSE (5) is an improving filly who draws best out of the leading chances so if she can take advantage of this has some hope. ITSWHATILIKEABOUTU (8) is a smart type who has to overcome inside the back row. She has the ability to do this if she is at her best so has to be kept very safe. TANIA MAREE (10) has had a great season but has been very well placed by her trainer Craig Hayes. This is by far her toughest test to date and also has to overcome drawing outside the back row so place look's best. JAZZY JANE (7) resumes here and did run 3<sup>rd</sup> in the Oaks so with a little luck from the draw has a place chance. WEONA MASTERPIECE (1) can also sneak a place at odds from the pole.

He draws well so will push forward early and be handy throughout so will take plenty of beating. NANCES THRILL (8) never really got a crack at them last time and draws similar here so they will be hoping to get a crack at them here and if does has a hope. DISCO JACK (1) draws to run an improved here as look's the leader so can surprise at odds. KINDA CUTE AS (6) battled away well last start so with a little luck early here has an e/w chance. ANIMI SUB INGIS (13) had his chance last start but will be better suited by the spacious Launceston track so is a must include. INNER CITY (5) , CASANOVA CULLEN (7) , ESQUIVO (10) and GOTTA LOVE FRIDAYS (11) can all sneak a place at odds.

**RACE 4** : This is a tough C2/C3. EL JAYS MAGIC (6) has had a bit of a freshen up since her last run in where she broke in the run. She draws a touch wide so should look to push forward early and if finds the breeze has a good hope. ARDLUSSA EXPRESS (7) is first up for Zeke Slater but does a touch wide but will pay to keep safe as he does have a good record with these horses. MACH MY DAY (9) gets a good run through here and will find this much easier than recent runs so has a winning hope. **RACE 5** : This is the first heat of the Roberts Equine Supplies Globe Derby Sires. RESURGENT SPIRIT (4) has had a few issues of late so will be much better for the run but we all know his all class. He may be a little vulnerable here first up but if he gets into a war his class will get him over the line. RUSTY RED COMET (5) was very impressive last start. He has been the bridesmaid on numerous occasions behind the start but does his get his chance here to get one back on him. He will be hoping to run the gate and if was able to get across early will give him something to chase. ESTEVAO (8) has had a great season and draws to get a good run through so he may even lob in front of his major rivals so is a must for the exotics. PRISONER (2) has resumed in good form so from the draw has to be a place chance along with LAST GUY STANDING (1).

**RACE 6** : This is the second heat of the Roberts Equine Supplies Globe Derby Sires which is a little bit more open. VANDE VELDE (2) has been set for this series and comes up with the perfect draw. He should zoom to the lead and dictate the race so will take plenty of beating. HUSTLER HALO (8) has created a huge impression in his two starts to date. He draws to follow through the favoured runner so if was to get around to the breeze he will make it very interesting. EKTORAS (4) was a winner in much easier company on Monday night but with the right run here has a winning hope as does CHOPSTIX BORIS (5). He needs for the breaks to go his way in the run but if they do he can finish hard so is a must include. CHIRAC (1) if he can hold the back of the likely leader he is one at odds for the exotics. SABOTAGED (2) , KARALTA

DAZZLER (6) and LITTLE JETHRO (7) look outclassed here but can sneak the minor first four spot with the right run.

RATINGS : 2 – 8 – 4 5 – 1 – 3 6 7

**RACE 7** : This is a race for the C1 pacers. PRECIOUS DRAGON (3) resumes here off a couple of handy trials. She does have gate speed so if was able to get across will take plenty of holding out. PEACE CORPS (7) is a stablemate who is racing very well who will just need a little luck from the draw but if gets will be finishing hard. TERRORCAM (8) gets a good run through here and has a hope at good odds if gets the right run. TOUCHWOOD TOPSTA (1) is racing very well and draws to get every chance so has to be a winning hope. **RACE 8** : This is the last of the night with not a lot of winning form to recommend. GOTHIC RAGE (5) hasn't had a lot of luck lately so am prepared to give him another chance at e/w odds. He will have to put into the race and may be able to out battle them to the line. BREAK OF NITE (4) his a bit of a jeckyl and hyde but if the right one turned up he will take plenty of holding out in this line up. FIERCE TURBULENCE (3) is just racing a little bit below his best but won't get it much easier so is also a chance as is I AM MISTER RED (6) who is better than his form reads. BUTTERS (1) can surprise from the pole as races best on the pegs.

TOP PICK : GOTHIC RAGE (5) look's a good hope here.

DANGERS : BREAK OF NITE (4) will be huge danger in this line up along with FIERCE TURBULENCE (3).
