RACE 1 : This is a C1 only to start the night's racing. TERRORCAM (2) is well placed here and this look's a little easier than last start. He will sit parked and may be able out battle his rivals. LIKE IT IS (8) is a handy type who resumed last week when only knocked up late. He draws to get a good run through well so will be handy and will take plenty of holding out. BOUTIQUE ART (11) is racing very well and if is able to get a run into the race he will take holding out. GOTHIC RAGE (7) has drawn to follow the likely leader but will need to get off the pegs at some stage and if can will be in the finish. BREAK OF NITE (5) is another that will find this easier and if his able to get the right run he can round these up at each way odds. ONE MANS PASS (5) is the big query as he will find this much easier than recent runs. The key will be if he steps as if he does he may prove too good for them. KARALTA JAZZMAN (7) is racing very well but is off the 20m here so will need to begin quickly and if can tack quickly he has a good hope here. PRETTYBOYTROY (4) will be hoping to ping the tapes as if he found the top he will take some running down. NEXT SOUND (8) is racing but does race best at the front of the field. RACE 6 : This is a C4/C5. GLENWOOD JASPER (7) is becoming a bit of a track specialist of late. He is one horse that can come from last and win here. He draws to get a good run through so will be handy so clearly the one to beat. PEACE CORPS (2) is in career best form and will get a good run here so is a danger as he too has a liking for the track. BLACK CENTURIAN (1) is the leader and if produced his best he would take plenty of running down but just sure his at his best at present. She will be hoping to get off at some stage so if she's close enough will take plenty of holding out. FLETCH DAVIS (2) broke through for a well deserved win last start. He draws well here and if was able to get across to the top he will take plenty of beating he can still win if has to sit parked. PARTYBOY GLENWOOD (8) was very costly last start. He gets a good run through here so will be in a striking position all the way so is a big danger.
