He has drawn inside the back row but with a little luck will take plenty of holding out. WHO IS HARDEEN (5) is a multiple 2yo winner who resumes into a very winnable race. He should push forward and settled on the speed he will take plenty of holding out. GEORGASGRIN (3) is an ex Victorian first up in the state who brings fair form to the state. Was placed in a 1:56 mile rate a few runs back so will pay to keep very safe. RACE 6 : This is the Free For All for the open class pacers. PACHACUTI (2) is a rising star and look's destined for bigger things in the future. He only won narrowly last but did run a very slick last half. He should zoom to the lead and get a picnic in front so will continue on his winning way. OUR CHAIN OF COMMAND (5) is in the twilight of his career but is still very capable on his night so has a great chance to run the quinella. UDOIT (6) was huge last week when galloped out but was spotted hitting the line very strongly in that slick last half so has to be kept safe if can repeat that effort. He will be up and around them early so will be the one to beat. REMEMBER JOE (6) ran the race of his life last week when it took Pachacuti the length of the straight to run him down. He will need a bit of luck in the run but if the breaks fall his way he can win. RYKOV LEIS (4) is consistent type who with the right run has a winning chance. He was very unlucky not to beat him last start but will have to step up again here as draws outside him but he is very talented so is the danger. BLACKJACKHANOVER (2) broke through for a well deserved win last start when led throughout and running his last quarter in a slick 27.6 if he repeated that here can give a bit of cheek.
