CALL ME MOUSE (9) has done nothing wrong in his brief career to date. He resumes here off a break and from a good trailing draw so will be thereabouts. MY KODA KASPER (1) broke through for a well deserved win last week and there is no reason why he can't make it two in a row from the draw. JASPER RULER (7) has really started to put it altogether this time in. He draws a touch wide but with a little luck can figure at odds. She is sure to strip much fitter for that and does have a good record on this track so is sure to take plenty of beating. BENEDICTION (7) is the class runner who is sure to have improved from her first up run. She is sure to be sitting back smoking her pipe so if she gets the right run into race can win. EL JAYS MAGIC (3) is racing very well and is suited by the small field and should get the right run so is a winning chance. BELLICIOUSLIPS (2) returns from a successful Victorian stint in where she won 3 out of 4 starts the latest at Melton. This is a huge step up in class but with the right run she will be in the finish. TESSANZO (6) will find this easier than recent starts. She is the inform mare in the state at present so is a huge danger. SPITFIRE ROSE (5) is another very good mare who resumes here so may need the run but tread very warily as she has a touch of class on her side. RACE 6 : This is the time honoured Doug Martin Danbury Park Cup. REMEMBER JOE (10) returned in brilliant fashion last week in where he zoomed to the lead to win as he liked. He goes back to the 20m mark here so will have to be at his very best. He is proven from the tapes so with a safe beginning is the one to beat. RIVERBOAT JASPER (5) is a very tough type who has plenty of bottom. The stand is a huge query but if he steps he will be a major player here. STAR CHAMBER (7) will relish the conditions of this race. He is a very quick beginner from the tapes so don't be surprised if he settles in the first few. He will need to get a sit as he can sprint very quickly with the right so that makes him dangerous. OUR CHAIN OF COMMAND (12) showed last start there is still life in those old legs. He has to come off the 30m so will plenty of luck to come his way but if gets can win at each way odds. DIVAS DELIGHT (6) is a very good front runner who will find it hard to find the top unless he begins like a bullet so place look's best. RACE 7 : This is the C6/C7. It look's a good clash with three main winning chances. MELOLYN (3) showed a return to something like his best last start. He draws inside fellow speedy beginner so it will be a good run to first corner to who holds up if he does will take running down. RYKOV LEIS (4) is in career best form and he too will be looking to find the top as can run the gate very well and if finds he will be the one to beat. CLAMOROUS (2) has been below his best at his past two runs. He draws to get the gun run behind his two main dangers so if they get into a war he will finish over the top of them. MAYBE DOC (5) will be just sitting back minding his business and if they go hard he can finish into a place. LIVIN IT LOVIN IT (6) may find this a bit tough.
