LEADERS IN  
INNOVATIVE RACING  
TECHNOLOGY

Tasracing is the corporate entity which governs the three codes of racing in Tasmania. A commercial, customer-focused organisation, Tasracing successfully competes in national and international markets, with new and innovative products.

Our culture is built on our shared values which focus on teamwork, communication, excellence and our passion for racing.

**Reporting directly to the CEO and working closely with the senior management team, you will;**

- Lead and inspire the Corporate Services Team, which encompasses finance, information technology, human resources, work health and safety, risk management and legal functions
- Formulate and implement Tasracing's financial and commercial strategies, including the management of its race field fees framework
- Act as Company Secretary, providing key support to the Board and its sub-committees, provide technical expertise in governance and ensure the company meets its compliance and financial reporting obligations
- Provide the focal point for advice for financial modeling, budgeting, forecasting and the company's capital management strategy
- Supervise the management of legal and other entity risks in accordance with the organisational risk framework

**You will need:**

- Accounting qualification with five years experience in leading and managing a team
- Member of the Chartered Institute of Accountants (CA) or Australian Society of CPA's (CPA)
- Prior experience as a Company Secretary is highly desirable
- Experience in managing a multi-purpose team, including coaching and mentoring
- Experience within the racing industry preferred but not essential
