## PREPARING your greyhound for GAP Tasmania

What can I do to assist my greyhound's transition from racing dog to family pet?

- Get your greyhound used to spending time loose in the back yard – pet homes do not generally have kennels and runs.
- Get your greyhound walking comfortably on a lead by your side.
- Introduce your greyhound to strangers and children under supervision.
- Take your greyhound out on street walks to the park, past the local school or shopping centre and beside busy roads.
- Bring your greyhound into the house for short periods at a time.
- Introduce your greyhound to stairs and slippery floor surfaces like tiles, linoleum or polished floorboards.

#### VET'S MEDLEY SERIES - H.G.R.C.

A best series restricted to Grade 4 and 5 (both Sprint and Mid Distance) greyhounds at Hobart to be conducted in Heats over 599 metres, a second series of Heats over 461 metres and a Final over 599 metres.

It is anticipated that there will be 8 Heats over 599 metres with the greyhounds contesting those Heats contesting the second series of Heats over 461 metres.

The greyhounds to contest the first heats shall be selected by adding together the Order of Choice of each greyhound

over both distances and dividing by 2.

A greyhound contesting the first series of Heats is also deemed nominated for the second series of Heats and (if they qualify) for the Final. The reserves for the first Heats that do not obtain a start shall also be named reserves for the second Heats. In the event of a late scratching from the first series of Heats then the reserve to contest the second series of Heats shall be drawn by lot from the full list of reserves that were named but not withdrawn and did not obtain a start in the first series of Heats. The selection

of a greyhound as a Reserve for more than one Heat in the second series of Heats, apart from any so named for the first series of Heats, shall be selected by lot in the following order:

- All the greyhounds listed as reserve for one heat only
- All the greyhounds that are then listed as reserve for two heats only
- All the greyhounds that are then listed as reserve for three heats only, etc

Points shall be awarded to each greyhound contesting and completing a Heat on the following basis:-

1st-11	2nd-8	3rd-6	4th-4
5th-3	6th-2	7th-1	8th-0

In the case of two or more greyhounds dead heating for a placing then the points shall be added together and divided equally between those greyhounds dead heating.

Except in the case of a no race or an abandoned race, a greyhound must contest both sets of heats to be eligible for and/or listed in the field to contest the Final.

Subject to the previous condition, the eight greyhounds accumulating the highest aggregate of points in the Heats shall be deemed qualified for the Final with the two greyhounds with the next highest aggregate of points being named as reserves.

In the case of two or more greyhounds having the same aggregate points thereby resulting in more than eight starters and/or two reserves then the greyhounds to contest the Final (or be named as reserves) shall be drawn by lot.

In the event of a no race or an abandoned race then the points for that Heat (based on the number of starters) shall be divided equally between those greyhounds that contested the no race or were eligible to contest the race at the time of the abandonment.

Winning greyhounds will incur only one penalty for the series with the penalty applicable to the distance over which the greyhound first wins in the series.
