In an effort to improve our communication to you, and to achieve efficiencies in the production of our racing calendars, Tasracing advises that future editions of the Tasmanian Thoroughbred Racing Calendar will be published in 'race book size' format.

This will also be accompanied by a new web based calendar along with additional information and services for thoroughbred owners and trainers.

We look forward to keeping our existing and new thoroughbred racing participants up to date with the Tasmanian racing schedule, news and industry insights.

We also look forward to broadening the reach of our communication to new owners, with the aim of growing demand for Tasmanian bred thoroughbreds.

MESSAGE FROM THE MINISTER FOR RACING JEREMY ROCKLIFF

The Luxbet Tasmanian Summer Racing Carnival continues to be one of the State's great success stories.

Tasracing, the principal racing authority, and the host racing clubs, the Devonport Racing Club, the Tasmanian Turf Club and the Tasmanian Racing Club, always deliver an excellent program of racing and entertainment – and I am confident the 2018 carnival will be just as compelling.

The carnival comprises nine race days across the State – starting with the 100th running of the Simons Design Centre Devonport Cup, four race days in Hobart, four race days in Launceston, culminating in the new Sky Racing Australian Female Jockey Championships.

The 2018 carnival represents the second year of a three-year naming rights partnership between Tasracing and Tabcorp – the market leading wagering operator in Australia and Tasracing's most important partner in terms of racing product distribution through Sky Channel.

This contribution – on top of Tabcorp's major venue naming rights partnership with Tasracing – underscores the significant relationship the two organisations enjoy.

Magic Millions also continues to be a major carnival partner – sponsoring both the Magic Millions Race Night in Launceston and running the Tasmanian yearling sale the following day.

In closing, I would like to wish Tasracing, the host clubs, and all racing connections including owners, trainers and jockeys the very best of luck during the 2018 carnival.

Jeremy Rockliff
Minister for Racing

MESSAGE FROM TASRACING CHAIRMAN DEAN COOPER

Tasracing is very pleased to partner with the host clubs, Tabcorp and racing participants to present the 2018 Luxbet Tasmanian Summer Racing Carnival.

In 2018 the host clubs will continue to focus on exceptional on-course experiences for young racegoers, owners and the racing public.

This year, Tasracing has teamed up with exclusive brewery partner CUB to present the Stella Artois Young Member Marquee on Devonport, Hobart and Launceston Cup Days.

With expert MC's interviewing trainers and form analysts, live sky broadcast on big screens, prizes, giveaways, a DJ and Stella Artois Bar, the marquees are designed to engage the next generation of Tasmanian racing fans.

Tasracing's recently upgraded punter website – tasracing.com.au will provide punters, owners and trainers with the most comprehensive information on every local runner and thanks to our partnership with Tabcorp, free live streaming of the entire carnival, including expert mounting yard and trackside coverage from Peter Staples, will be available via the website.

The \$100,000 Cups Double Bonus will again be offered for any horse that can win both the 2018 Luxbet Hobart Cup and the 2018 Luxbet Launceston Cup.

The cups double bonus is a unique initiative that adds an extra level of excitement and engagement with the carnival and is sure to attract strong interest from high-profile interstate trainers.

Chairman, Tasracing

Young Racing Tasmania

2018 Cup Day Marquees

There's little doubt that the future of racing depends on how successfully racing can engage the next generation of owners, members, punters and participants.

Tasracing is proud to have partnered with Tasmania's Summer Carnival host clubs for the past three years to deliver Cup Day experiences for the young and young at heart.

The Young Racing Tasmania brand has been developed with the aim of capturing the essence and appeal of a day at the races in Tasmania. A single brand representing the DRC, TRC and TTC experience for young racegoers has allowed Tasracing and the host clubs to reach many young Tasmanians and encourage

them to attend a Cup Day Young Racing Tasmania Marquee. The 2017 Hobart and Launceston Cup Days saw a combined 450 guests enjoy a day at the races – many of them experiencing it for the first time. The marquees feature an expert MC on hand to help guide guests through the race card, live entertainment, live Sky coverage, TOTE betting and celebrity guests. Every guest receives a Gift Bag containing information on how to get involved with racing as a club member or horse owner.

In 2018, Tasracing are excited to add the Devonport Cup Day to the Young Racing Tasmania Marquee line-up. It is a fitting addition to the Tasmanian social racing calendar, with the Devonport Cup celebrating its 100th running in 2018.

The 2018 Marquees will be proudly presented by Stella Artois, adding to the appeal of what have already become the hottest social ticket on the Tasmanian racing calendar.

With limited tickets available at all three days, make sure you get in quickly.

2016-17 TASMANIAN HORSE OF THE YEAR

HELLOVA STREET

Editorial by Peter Staples

Photography by Sharon Lee Chapman - Fast Track Photography

AS A YEARLING THERE WAS SOME DOUBT HE WOULD MAKE IT TO THE RACETRACK ... SIX YEARS ON HE HAS AMASSED OVER \$750K IN PRIZEMONEY, WON BOTH GROUP AND LISTED RACES AND IS THE REIGNING TASMANIAN HORSE OF THE YEAR.

HELLOVA STREET flew under the radar for a long time but after the gelded son of his ill-fated sire Helike won his second Newmarket Handicap the pundits finally sat up to take notice.

Last season the Scott Brunton-trained gelding was acknowledged for his sprinting brilliance by being named 2016-17 Tasmanian Horse of the Year.

Victories in two \$100,000 races in Tasmania and a brilliant win in a Listed race Flemington, accompanied by three seconds in top company ensured he was voted Tasmania's best for that season.

For two seasons the now seven-year-old gelding has been a dominant force in sprinting ranks with his 13 career wins and dozen minor placings from 31 starts as at the end of October taking his stake earnings to just over \$600,000.

Hellova Street is owned by Larry and Melinda Lamont, Steve Saltmarsh and Allan and Laurie Virieux who have varying shares in the gelding with Larry Lamont the managing owner.

The gelding is by the ill-fated sire Helike from the Secret Savings mare Butter Street that was purchased by Larry Lamont and Allan Virieux from Bill Mitchell for \$15,000.

"Alan and I heard the mare was up for sale and she was in the care of top Victorian trainer Colin Little who had won a maiden with her but connections were keen to move her on," Lamont said.

"That she was by Secret Savings had me

very interested so after a bit of negotiating we ended up with the mare always with the intention of her becoming a broodmare.

"We thought we'd continue racing her for a while so we sent her to Ian Hay at Longford and he won a race with her before she embarked on her breeding career.

"Her first foal was Streetwise Savoie and he ended up winning a Thomas Lyons (\$100,000 Listed race) and a heap of other good races and he's still going.

"Hellova Street is her second foal and Robyn Whishaw from Armidale thought he was a cracking foal and while he didn't show much at the start her assessment of him was spot-on in the end."

As a yearling there was some doubt as to whether Hellova Street would make it to the racetrack.

Larry (Lamont) admitted the horse was his own worst enemy when being broken in and even today he has to wear blinkers so that the jockeys can get on board.

"We had a lot of trouble getting him broken in and a few of us wondered if he'd ever make it as a racehorse Lamont said.

"He was sent to the breakers three times to try and mend his ways but through sheer perseverance and a lot of determination from his trainers David and Scott Brunton he eventually came good – to a certain extent."

Jockey Grant Challenger was riding a lot of work for the Bruntons at the time and he was the only one who could get on Hellova Street and stay on.

After riding the horse for a while he told Scott (Brunton) that Hellova Street was the best horse he had in the stable at the time to which Scott politely smiled but deep down he had great reservations.

"Horse racing is a funny game at times. Some horses can fool you into thinking they aren't much good for a number of reasons," Brunton said.

"But most of them have a number of layers to their character so you have to peel them back like an onion until you discover the real horse inside and that's what happened with Hellova Street."

In early October 2013 Hellova Street won his first race as a three-year-old in a maiden over 1400 metres which Lamont believes was the turning point in the horse's career.

"They say the maiden is the hardest race for any horse to win and that was certainly the case with Hellova Street because at one stage we didn't think he was even going to make it to the races," Lamont said.

"But his maiden win was significant in that it was over 1400 metres and to this day it remains his pet distance.

"His next start after winning the maiden was in the 3YO Classic on Launceston Cup day and Scott (Brunton) told us we should have a good bet and we did and I think all of us got \$16 and he won well so that was definitely a win that meant a lot."

a four-year-old in 2014 he again flew under the radar with as much as \$11 offered by the corporates before starting at \$6.

Not only did he defeat a top class line-up he set a course record for the 1200m of 1.09.15 that still stands.

"When he set a course record in winning his first Newmarket we were all so proud of the horse, not because he'd won a Listed race but because he was so courageous in winning.

"The horse has flown under radar from a media perspective all of his racing life and to be honest none of us owners cared because we know how good and how tough he is.

"But I think when he won his second Newmarket the penny finally dropped that this horse is a real star.

"We absolutely love the horse because of his toughness and his incredible will to do his absolute best every time he goes to the races.

"We have been blessed to have had Savoie Street and Hellova Street from the broodmare and now we have Street Tough (by Tough Speed) about to start his racing career so who knows maybe we have another one that can go on to great heights."

Hellova Street's rise to fame nationally continued in November when he won a Group 3 race at Flemington during the Melbourne Cup Carnival.

"We always knew he would win a Group race because he is so good but to do it during the Melbourne Cup Carnival was an absolute bonus," Brunton said.

programme notes

BLAYNE HUDSON

The Tasmanian Summer Racing Carnival represents the pinnacle of racing in the state and will once again provide excellent opportunities for participants throughout the feature summer racing period.

The structure of the 2017/2018 calendar layout will once again be altered over the course of the racing carnival due to the fall of the public holidays in the early months of 2018.

Devonport Cup Day will remain in the second week of January with minor changes for Hobart and Launceston Cup Days with the meetings moved slightly to coincide with their public holidays.

A slight restructure of the program throughout December to March provides ample opportunities for all horses through Class and Benchmark races during summer.

Throughout this grid Tasracing has introduced a trial of rating based races and a lower rated Benchmark. The grid also sees the introduction of a \$25k F&M 1600m in March as well as the 2600m St Leger, moving from the Autumn program.

Prizemoney increases which have been in effect since October, have seen an increased tiered stakes system (Refer table below). Base stakes have risen from \$14,000 to \$16,000, and 2YO & 3YO races have been increased to \$19,000. Prizemoney increases have now include 5th place stakes payments.

March sees the introduction of the first Female Jockey Championship in Launceston on Wednesday 7th. The meeting will showcase some of the best female riders across Australia to coincide with International Women's Day on Thursday 8th March.

Tasmanian Racing Club

- Tasmanian Guineas will again be run as a Twilight meeting on Friday 12th January.
- Bow Mistress & Tasmanian Derby will remain as a Friday Twilight meeting on Friday 9th February, leading into the Hobart Cup on Sunday 11th February.
- An additional meeting has been added to the Calendar in late February to cater to the gap between the public holidays.

Tasmanian Turf Club

- The Magic Millions Race Series Night held will be held on Wednesday 14th February with the Magic Millions Yearling Sales held on Thursday 15th February at the Inveresk Showgrounds. The meeting highlights the beginning of the Launceston Carnival.
- National Apprentice Series will be held on Sunday 25th February.
- First ever Australian Female Jockeys Championship on March 7th.
- A new \$25k F&M 1600m race will be held two weeks after the Vamos.
- St Leger moved from its Autumn program to be run two weeks after the Launceston Cup over 2600m.

Devonport Racing Club

- Three Feature meetings over summer remain as per 16/17: Golden Mile, Sheffield Cup & Devonport Cup.

ELIGIBILITY

Yearlings that qualify for the scheme are:

- Tasmanian-sired (Tasmanian-based sire)
- Tasmanian-bred (mare must be Tasmanian-owned), based on Australian Stud Book registered breeder location
- Catalogued for sale at the Tasmanian Yearling Sale (any breeding)

COSTS

Breeder Nomination: \$220 (incl GST)

Owner Nomination: \$330 (incl GST)

A horse may be only breeder nominated or only owner nominated or both. A once-off fee is paid to Tasracing when the horse is a yearling and the horse then becomes eligible for a bonus whilst it is a 2, 3 and 4 year old, for its maiden win or for one of any special bonus races.

SPECIAL BONUS RACES

Special bonus races will offer owners and breeders an additional \$4,000 (\$3,000 owner/\$1,000 breeder) bonus for non-maiden horses winning specified 2YO and 3YO races (of \$50,000 or less).

These will include selected 2YO and 3YO feature races and 2YO and 3YO handicap races.

A maiden winning a specified race will however only be eligible for its maiden bonus (i.e. The special race bonus will not apply).

BONUS PAYMENTS TABLE

tasBonus Scheme (ex GST)	2YO & 3YO	4YO
Breeder	\$1,000.00	\$ 750.00
Owner	\$3,000.00	\$2,250.00
Total	\$4,000.00	\$3,000.00

Trainer	\$150.00

DOUBLE UP SALE VOUCHER OPTION

The scheme will also provide a "Double Up Sale Voucher" facility for owners (this does not apply to breeders). This will allow the winning owners of specified races, as designated by Tasracing, the option of converting their \$3,000 cash bonus into a \$6,000 sale credit. This credit must be redeemed at the subsequent Tasmanian Yearling Sale.

Owners will be given 14 days to notify whether they would like their \$3,000 cash bonus converted into a \$6,000 sale credit.

Conditions apply. Please refer to www.tasracing.com.au for more information.

STEWARDS REPORT

LATE NOTIFICATION OF RIDERS AT RACE MEETINGS.

The stewards are aware there are times when it is difficult to engage a rider and submit it to Racing Australia within the required timeframe. If a trainer is experiencing difficulty in this area, they are strongly encouraged to contact the stewards otherwise a fine may be imposed.+

TASMANIAN LOCAL RULES OF RACING- LOCAL RULE 13 DECLARATION OF RIDERS

13.1. The Nominator or Trainer (or authorised agent of either of them) of a horse engaged in any race held under the Tasmanian Rules of Racing, shall declare the name of the rider to the Secretary of the Club conducting the meeting, or other official appointed for the purpose, on the day of Declaration of Acceptance as set down by Tasracing.

13.2. In exceptional circumstances an extension of time may be allowed by the Stewards.

13.3. Failing any such declaration the Stewards may order the withdrawal of the horse and/or punish the Nominator or Trainer.

13.4. Any horse drawn in a field excluding emergencies that has no declared rider will remain in that field until after official scratching time, that horse will then be declared a late scratching by the Stewards if there is no suitable rider available.

13.5. For all races scheduled to start at 6 p.m. or later and for any race during the period from 1 June until 31 August, regardless of start time, the following is permitted for horses weighted up to 54 kgs –

(a) One kilogram overweight – If a rider is to be one kilogram overweight, permission must be obtained from the Stewards who may grant approval if the Nominator or Trainer agrees.

(b) More than one kilogram overweight – Unless special circumstances apply the Stewards will not permit a rider to ride 1.5 kg overweight.

13.6. Once a rider has been so declared no other rider may be substituted without the permission of the Stewards.

13.7. Notwithstanding the provisions of AR.92, Apprentices shall not be permitted to claim the allowance to which they are entitled under that Rule in any race classified as a Quality handicap race or any other race for which the total prizemoney (excluding bonuses and trophies) is \$25,000 or greater.

13.8. Subject to LR 13.7 in maiden races run at set weights or weight-for-age, restricted races run at set weights unless otherwise provided in the conditions of the race, any Apprentice entitled under the Rules to ride in races may claim an allowance in accordance with the scale set out in AR.92(2), (3), and (4). Winning rides for the purposes of Apprentice allowances shall in Tasmania be in accordance with AR.92(3) and (4) unless otherwise provided for in the conditions of the race.

13.9. No Apprentice who is entitled to claim 4 kgs may ride in any Group, Listed or Feature race in Tasmania.

13.12. No Apprentice who is entitled to claim 4 kgs may ride a horse having its first official race start.

AUSTRALIAN RULES OF RACING CARELESS RIDING

(b) He fails to ride his horse out to the end of the race and/or approaching the end of the race.

(c) He makes any celebratory gesture prior to his mount passing the winning post.

BLEEDING ATTACK

AR.53A.

(1) An attack of bleeding shall be the appearance of blood at both nostrils, irrespective of quantity, unless in the opinion of the Stewards such bleeding was caused by external trauma.

(2) If a horse suffers an attack of bleeding at any time the fact of such bleeding shall be reported by the Trainer without delay to the Stewards.

(3) If any Principal Racing Authority advises in writing that any horse has suffered an attack or attacks of bleeding such advice shall be prima facie evidence that such horse has suffered an attack or attacks of bleeding.

(4) A horse which has in the opinion of the Stewards suffered an attack of bleeding shall not without permission of the Stewards –

(a) be trained, exercised or galloped on any racecourse for a period of two months thereafter;

(b) start in any race for a period of three months, and then only after a satisfactory gallop of at least 1,000 metres in the presence of a Steward.

(5) If a horse suffers more than one attack of bleeding such horse shall be ineligible to start in any race.

(6) If a horse displays blood at one nostril, the trainer shall without delay report such occurrence to the Stewards.

MINIMUM TOP WEIGHT FOR GROUP 1 HANDICAPS

Summary:

Racing Australia has approved an amendment to AR.103(2) which provides Principal Racing Authorities (PRAs) with a discretion to not raise weights at final declarations in Group 1 handicap races, so that irrespective of the top weighted horse at final declarations the weights of all runners may remain as originally declared.

The basis for the amendment is that in a number of Group 1 races weights are issued well before the running of the race and connections are aware of the weight required to be carried by their horse weeks prior to the race.

The previous drafting of AR.103(2) allowed for significant changes in weight to be made a few days prior to a race at final declarations time. The exemption will provide certainty for international participants in deciding whether or not to travel to Australia for important Group 1 races.

The amendment is consistent with the discretion afforded to PRAs under AR.103(3) in respect to minimum weight exemptions.

1. Amend AR.103(2) as follows:

“AR.103

...

(2) Notwithstanding the provisions of subrule (1), if at the declaration of acceptances for a handicap flat race the weight allocated to the highest-weighted acceptor (including any extra weight by way of re-handicap or penalty) is less than 58 kilograms (57 kilograms for Group 1 handicap races), or less than a higher weight determined by a Principal Racing Authority, then allocated weights for the race must be increased until the highest-weighted acceptor is weighted at not less than 58 kilograms (57 kilograms for Group 1 handicap races).

Provided further that the Principal Racing Authority concerned may, in its sole and absolute discretion, provide an exemption from this subrule for Group 1 handicap races.

SCHEDULE 1 TO THE AUSTRALIAN RULES OF RACING – THE TOR RULES

TOR Rule 1 – Commencement and operation of the TOR

(1) The TOR, including the TOR Rules, will commence pursuant to these Rules on the TOR Commencement Date.

(2) From the TOR Commencement Date:

- (a) persons bound by these Rules must comply with the TOR Rules;
- (b) all Trainers and Owners (except Exempt Trainers and Exempt Owners) must comply with the

Racing Australia Standard Training Agreement (STA) and the STA is deemed to apply as between those Trainers and Owners subject to TOR Rule 1(4); and

- (c) all Co-owners, except for Co-owners who have obtained their interest in a horse through a Promoter Syndicate and who do not own their interest in the horse with other Owners who are not in a Promoter Syndicate, must comply with the Racing Australia Co-owner Agreement (COA) and the COA is deemed to apply as between those Co-owners subject to TOR Rule 1(5).
- (3) Notwithstanding TOR Rule 1(2):
 - (a) specific terms of the STA can be excluded, varied or limited by agreement in writing between a Trainer and an Owner, provided that a Trainer and Owner cannot exclude, vary or limit the operation of any provision of these Rules (including any of the TOR Rules); and
 - (b) specific terms of the COA can be excluded, varied or limited by agreement in writing by the Co-owners of a horse if that is done in accordance with the terms of the COA, provided that Co-owners cannot exclude, vary or limit the operation of any provision of these Rules (including any of the TOR Rules).
- (4) If a Trainer and an Owner:
 - (a) are, as at the TOR Commencement Date, party to a separate written agreement in relation to Training Services, they can in writing agree that the other agreement continues to operate after the TOR Commencement Date in conjunction with, or instead of, the STA; or
 - (b) enter, after the TOR Commencement Date, into a separate written agreement in relation to Training Services, they can in writing agree that the other agreement operates in conjunction with, or instead of, the STA, provided that they are bound by, and must comply, with these Rules (including the TOR Rules).
- (5) If one or more of the Co-owners:
 - (a) is, as at the TOR Commencement Date, party to a separate written agreement with other Co-owners in respect of the Horse Ownership Venture, the Co-owners can agree in writing that the other agreement continues to operate after the TOR Commencement Date in conjunction with, or instead of, the COA; or
 - (b) enter, after the TOR Commencement

Date, into a separate written agreement with other Co-owners in respect of the Horse Ownership Venture, the Co-owners can in writing agree that the other agreement operates in conjunction with, or instead of, the COA, provided that they are bound by, and must comply with, these Rules (including the TOR Rules).

- (6) The TOR applies equally to a training partnership licensed pursuant to the Rules as it does to individually licensed Trainers.
- (7) These TOR Rules, the STA and the COA apply equally to a lessee of a horse as an Owner, unless a particular provision of these TOR Rules, the STA and/or the COA expressly states that it only relates to a person with an ownership interest (rather than a lease interest) in a horse.
- (8) Any company or other business structure through which a Trainer provides Training Services (including the billing of Training Services) is bound by these TOR Rules and must comply with them (to the intent that the requirements of the TOR cannot be avoided on account of a Trainer providing Training Services through a corporate entity or other business structure which is not licensed or registered by Racing Australia or a PRA).
- (9) The COA does not apply to Promoter Syndicates which own the whole of the ownership of a horse. Promoter Syndicates must however comply with the STA (subject to TOR Rules 1(2)(b), 1(3)(a) and 1(4)).
- (10) If an Owner's ownership interest in a horse is as a member of a registered Syndicate, including as a member of a Promoter Syndicate, then for the purposes of the TOR:
 - (a) the Syndicate Manager is responsible for representing the Syndicate;
 - (b) the Syndicate is deemed to be the only Owner of the combined ownership interest held by the Syndicate, as if it was a separate legal entity, and the Syndicate Manager will be its expressly authorised legal representative; and
 - (c) all actions and decisions made by the Syndicate Manager will be taken to be made on behalf of the relevant Syndicate.
- (11) To the extent that there is any conflict or inconsistency between a provision of these Rules (including any of the TOR Rules) and a term of the STA or the COA (including as amended, whether in accordance with TOR Rule 1(3) or otherwise), or a term of any other separate agreement made in relation to Training Services or a Horse Ownership Venture (whether made in accordance with TOR Rule 1(4) or 1(5) or otherwise), these Rules (including the TOR Rules) prevail to the extent of the conflict or inconsistency.
- (12) Racing Australia (including its officers and employees), each PRA (including its officers

and employees) and each TDT (including its members), shall not be liable to any person, and no person shall be entitled to make any claim for damages, for any loss or damage sustained as a result of, or in any way (either directly or indirectly) arising out of, the exercise of any right, privilege, power, duty or discretion conferred or imposed, or bona-fide believed to have been conferred or imposed, under the TOR Rules.

- (13) If a dispute between a Trainer and an Owner arises under the TOR Rules:
 - (a) either party may commence External Proceedings in respect of the matters the subject of the dispute, save as to proceedings seeking urgent interlocutory relief, until all processes set out in the TOR Rules through which Training Fees and/or Training Disbursements can be recovered, or disputes in relation to them resolved or determined, have been followed; and
 - (b) if a party commences External Proceedings in respect of the matters the subject of the dispute, this subrule may be relied upon or pleaded by the other party as a bar to any such proceedings.

TOR Rule 2 – Powers of Principal Racing Authorities (PRAs) in relation to the TOR

- (1) A PRA shall, in addition to the powers conferred by these Rules, have power, in its discretion, to put in place Local Rules, regulations, policies or procedures, and/or take steps incidental or conducive to Trainers and Owners of horses complying with the TOR.
- (2) Without limiting TOR Rule 2(1), a PRA has power:
 - (a) to appoint a person or persons, who must have relevant experience in dealing with commercial disputes, as a Training Disputes Tribunal (TDT) member for the purpose of determining disputes in relation to Training Fees and/or Training Disbursements;
 - (b) to make and enforce policies or procedures in respect of the role, powers and functions of the TDT, and any member of it;
 - (c) to freeze the payment of prizemoney to which an Owner would otherwise be entitled and pay that prizemoney to a Trainer in payment of Training Fees and/or Training Disbursements due and payable to the Trainer;
 - (d) to take whatever action it thinks fit (including to refuse to accept the

nomination of a horse to race, or to take disciplinary action permitted by the Rules) against a person who contravenes any provision of these TOR Rules or any regulations, policies or guidelines made by or pursuant to a direction of Racing Australia in relation to them;

- (e) to require fees (including administrative, or transaction processing fees) to be paid to Racing Australia or to a PRA in connection with the TOR, including in connection with the operation of the TDT.
- (3) If there is any inconsistency between a rule contained in these TOR Rules and that contained in a PRA's Local Rules, to the extent of any conflict or inconsistency, the provision in these TOR Rules will prevail (except where a PRA makes a local rule in relation to the TDT's role and/or processes pursuant to TOR Rule 8(8)).

TOR Rule 3 – The requirement for Trainers to issue a Fees Notice

- (1) As from the TOR Commencement Date:
 - (a) any Trainer who currently trains for an Owner must issue a Fees Notice to the Managing Owner within 28 days of the TOR Commencement Date;
 - (b) any Trainer who is appointed as a Trainer on or after the TOR Commencement Date must issue a Fees Notice to the Managing Owner:
 - (i) if the Trainer is appointed in the period from the TOR Commencement Date up to and including 28 days after the TOR Commencement Date – within 35 days of the TOR Commencement Date; or
 - (ii) if the Trainer is appointed more than 28 days after the TOR Commencement Date – within 7 days of the date on which the Trainer is appointed;
 - (c) the Managing Owner must provide a copy of the Fees Notice to each Owner within 5 days of being issued the Fees Notice by the Trainer; and
 - (d) if the Managing Owner does not object to the Trainer within 14 days of being issued the Fees Notice, the basis for providing Training Services set out in that notice is deemed to have been accepted by the Owner/s.
- (2) The Fees Notice must set out:
 - (a) the Training Fees itemised by category of service or item provided;
 - (b) the anticipated Training Disbursements by name of service and anticipated provider (if known);

- (c) the anticipated Direct Payment Disbursements by name of service and anticipated provider (if known);
- (d) any additional fees the Trainer proposes to charge the Owner, including bonuses for winning races, or commissions on the sale of a horse; and
- (e) whether a Trainer proposes to charge interest on any unpaid Training Fees and/or Training Disbursements. The Trainer is entitled to do so from the day after an amount falls due and payable, at an interest rate not more than the rate prescribed from time to time for pre-judgment interest in the Supreme Court of the State or Territory of the TDT at which any dispute in relation to Training Fees and/or Training Disbursements would be heard pursuant to TOR Rule 5(4).

TOR Rule 4 – The circumstances in which the TOR's Presumption of a Training Debt arises

- (1) As a condition precedent to a Trainer being able to rely on the Presumption of a Training Debt, the Trainer must provide the Trainer's invoice (or invoices) in relation to Training Fees and/or Training Disbursements to the Owner of the relevant horse by the 15th day of any calendar month following a period of time in which Training Services were provided by the Trainer to the Owner.
- (2) A Trainer who fails to issue an invoice by the end of the 15th day of a month following a period of time in which Training Services were provided must wait until the subsequent month to seek to rely on the Presumption of a Training Debt, and can then only do so if an invoice has been provided to the Owner by the end of the 15th day of that subsequent month.
- (3) If an invoice is issued in accordance with TOR Rule 4(1), the Owner may formally dispute the invoice (or part of it) by serving a Dispute Notice which complies with the requirements in TOR Rule 5(1) on the Trainer. A copy of the Dispute Notice must also be provided to Racing Australia.
- (4) If a Trainer issues an invoice in accordance with TOR Rule 4(1) and the invoice is not fully paid by the end of the month in which it is issued, then unless a Dispute Notice is provided by the Owner to the Trainer by the last day of the month in which the invoice is issued, the invoice is deemed to be due and payable to the Trainer at the end of that month. (That is known as the Presumption of a Training Debt against the Owner).
- (5) The provision of a Dispute Notice by an Owner to a Trainer by the last day of the month in which the invoice the subject of the dispute is issued has the effect that the Presumption of a Training Debt does not

arise. In that instance, unless the dispute is settled by consent, the Trainer and Owner each may apply in accordance with TOR Rule 5 to have the dispute heard and determined by the TDT.

TOR Rule 5 – Requirements in relation to, and the effect of, a Dispute Notice

- (1) A Dispute Notice:
 - (a) must be in a form prescribed by Racing Australia from time to time, and must provide the information required by that form;
 - (b) must clearly identify the invoice/s (or part of the invoice/s) disputed by the Owner, the amount in dispute, and the grounds for the dispute;
 - (c) must be provided by an Owner to a Trainer with supporting documentation (to be enclosed with the Dispute Notice) that the Owner intends to rely on in relation to the dispute;
 - (d) must be served on the Trainer, with a copy also required to be provided by the Owner to Racing Australia:
 - (i) subject to TOR Rule 5(1)(e) and TOR Rule 6(2), within 6 months of the date of the relevant invoice; and
 - (ii) by the last day of the month in which the relevant invoice is issued if the Owner wishes to prevent the Presumption of a Training Debt arising; and
 - (e) must not be served on the Trainer after an Enforcement Action Application (EAA) is filed with Racing Australia by the Trainer under TOR Rule (6)(1), and any purported service of a Dispute Notice after that time will not be valid.
- (2) If a Dispute Notice challenges part, but not the whole of an invoice issued by a Trainer to an Owner, the Owner must pay to the Trainer the part not in dispute by the last day of the relevant month in which the invoice is issued in accordance with TOR Rule 4(1). Failing that, the part not in dispute is deemed due and payable to the Trainer at the end of the month in which the invoice is issued.
- (3) Once a Dispute Notice is served by an Owner on a Trainer in accordance with TOR Rule 5(1), each has the right to elect to have the dispute determined by a TDT by filing a Notice of Election of Hearing with Racing Australia within 14 days of the Dispute Notice being served, with a copy also required to be served on the other party to the dispute.
- (4) Once a Notice of Election of Hearing is filed with Racing Australia, it will allocate

the matter to the TDT of the relevant PRA as follows:

- (a) the matter is to be allocated to the PRA of the State or Territory in which the Trainer who is party to the dispute is licensed to train horses;
- (b) if the Trainer is licensed in more than one State or Territory of Australia, the matter is to be allocated to the PRA of the State or Territory in which the orse the subject of the dispute (or a majority of the horses where there is more than one horse the subject of the dispute) is predominantly located, based on the most recent Stable Return/s lodged by the Trainer with Racing Australia in respect of the horse/s; and
- (c) if the Trainer is licensed in more than one State or Territory and has an equal number of horses the subject of the dispute predominantly located in more than one State or Territory, the matter is to be allocated to the PRA that Racing Australia thinks fit.

TOR Rule 6 – Consequences for a Trainer and Owner if the Presumption of a Training Debt arises

- (1) Once the Presumption of a Training Debt arises, a Trainer may file an EAA with Racing Australia (with a copy also required to be served on the relevant Owner) seeking that one or more of the following consequences be applied against the Owner:
 - (a) if the defaulting Owner owns 50% or more of the total of the ownership of the relevant horse, that Racing Australia will not process any Stable Return seeking to transfer the horse to another Trainer;
 - (b) that Racing Australia and/or the relevant PRA responsible for any registration function in respect of the relevant horse will not register any transfer of the Owner's share or ownership interest in the horse; and
 - (c) that Racing Australia will notify the relevant PRA/s and the PRA/s will, other than in a Special Circumstance determined in its discretion, Freeze the payment of prizemoney to which the Owner would otherwise be entitled, and direct payment of that prizemoney to the Trainer owed the Training Fees and/or Training Disbursements. Subject to any Special Circumstance determined by a PRA, the defaulting Owner expressly waives any right to object to a PRA's payment of that prizemoney to the Trainer.
- (2) Once an EAA is filed with Racing Australia

by a Trainer under TOR Rule 6(1), an Owner is not permitted to serve a Dispute Notice on the Trainer and any purported service of a Dispute Notice after that time will not be valid.

- (3) Once an EAA is filed with Racing Australia by a Trainer under TOR Rule (6)(1), unless Racing Australia or the relevant PRA, as applicable, considers that a Special Circumstance warrants another course, each of the consequences stated in TOR Rule 6(1)(a) to 6(1)(c) which were applied for by the Trainer will apply until:
 - (a) the relevant Training Fees and/or Training Disbursements which are due and payable are paid to the Trainer;
 - (b) the Trainer notifies Racing Australia that the Trainer has come to a settlement with the Owner in relation to the disputed amount; or
 - (c) the Owner notifies Racing Australia that the Owner has come to a settlement with the Trainer in relation to the disputed amount and provides sufficient evidence (as determined by Racing Australia in its sole discretion) of such settlement.
- (4) A Trainer must notify Racing Australia in writing within 24 hours of becoming aware of having received payment from an Owner of any Training Fees and/or Training Disbursements referred to in an EAA, and/or of becoming aware of the settlement with the Owner of a dispute in respect of Training Fees and/or Training Disbursements the subject of an EAA.

TOR Rule 7 – Further rights of a Trainer (when the Presumption of a Training Debt has not arisen) to object to the transfer of a horse to another Trainer, or the transfer of an ownership interest in relation to a horse

- (1) If, despite the Presumption of a Training Debt not having arisen, a Trainer contends that Training Fees and/or Training Disbursements are due and payable to the Trainer in respect of a horse, the Trainer may object by written notice provided to Racing Australia to the transfer of the horse from the Trainer to another Trainer, or to the transfer of an ownership interest in the horse from one Owner to another. A copy of that written objection must also be served on the relevant Owner.
- (2) If a Trainer objects pursuant to TOR Rule 7(1):
 - (a) the following consequences apply:
 - (i) Racing Australia will notify the relevant Owner of the objection;
 - (ii) if the Owner owns 50% or more of the total ownership of the relevant horse, Racing Australia will not process any Stable Return seeking to transfer the horse to another Trainer; and

(iii) Racing Australia and/or the relevant PRA responsible for any registration function in respect of the relevant horse will not register any transfer of an Owner's ownership interest in the horse.

- (b) the consequences stated in TOR Rule 7(2)(a)(ii) and 7(2)(a)(iii) will cease after 5 business days unless the Trainer provides Racing Australia with copies of the invoice/s outstanding to the Trainer (clearly identifying the parts of them alleged to be due and payable to the Trainer) within 5 business days of the proposed transfer (which period is not to be extended in any circumstance);
- (c) upon receipt of that information, Racing Australia will notify the relevant Owner who may then either:
 - (i) pay the amount of the invoice/s to Racing Australia (in which case Racing Australia will pay those funds to the Trainer and Racing Australia and/or the relevant PRA, as applicable, will process the relevant transfer request); or
 - (ii) serve a Dispute Notice on the Trainer (with a copy also required to be provided to Racing Australia). Once that is done, either party may elect to have the matter determined by the TDT by filing a Notice of Election of Hearing with Racing Australia within 14 days of the date of issue of the Dispute Notice (with a copy also required to be served on the other party). However, a Notice of Election of Hearing will only be valid and accepted by Racing Australia if the Dispute Notice related to the dispute was served within 6 months of the date of the invoice the subject of the dispute.

- (3) If an Owner serves a Dispute Notice in the circumstances referred to in TOR Rule 7(2)(c)(ii), and the Owner still wishes for the relevant transfer to proceed without delay, the Owner can pay the amount of the disputed invoice/s into the Training Disputes Trust Account pending determination of the dispute, at which point Racing Australia and/or the relevant PRA, as applicable, will process the relevant transfer.

TOR Rule 8 – The TDT Process

- (1) If an Owner has served a Dispute Notice on a Trainer in accordance with TOR Rule 5(1), either of them may, within 14 days of the service of the Dispute Notice, elect to have the dispute determined by a TDT by paying the Filing Fee to Racing Australia and at the same time filing a Notice of Election of Hearing with Racing Australia

and serving it on the other party to the dispute. Once a valid Notice of Election of Hearing is filed with Racing Australia, it will transfer the Filing Fee to the PRA allocated the dispute in accordance with TOR Rule 5(4).

- (2) A Notice of Election of Hearing will only be valid and accepted by Racing Australia if the Dispute Notice related to the dispute was served within 6 months of the date of the invoice the subject of the dispute and before any EAA was filed by the Trainer.
- (3) When a valid Notice of Election of Hearing is received by Racing Australia from an Owner or a Trainer, then the consequences set out in TOR Rule 7(2)(a)(ii) and 7(2)(a)(iii) will apply unless the amount disputed in the Notice of Election of Hearing has been paid by the Owner into the Training Disputes Trust Account pending resolution of the relevant dispute.
- (4) The TDT may make directions in relation to the preparation of the dispute for hearing as the TDT sees fit, except that a hearing on the papers can only take place if all parties agree to it.
- (5) In relation to an oral hearing before the TDT:
 - (a) there is no immediate right to legal representation before the TDT; and
 - (b) the TDT may grant leave to the Trainer and/or Owner to be legally represented if in the opinion of the TDT that is warranted having regard to one or more of the following matters:
 - (i) the complexity of the issues arising on the dispute;
 - (ii) the amount disputed;
 - (iii) whether or not the case is of general importance to the racing industry;
 - (iv) the interests of justice in the circumstances of the case.
- (6) In respect of a hearing before the TDT:
 - (a) the TDT:
 - (i) must, other than in exceptional circumstances, make all reasonable efforts to determine a dispute within 10 days of the hearing of that dispute; and
 - (ii) is only required to provide written reasons of the TDT's decision if at least one party to the dispute requests that;
 - (b) the decision of the TDT will be binding on all parties as a decision under these Rules;
 - (c) the TDT may:
 - (i) determine whether Training Fees and/or Training Disbursements must be paid and in what amount,

including in relation to any amounts paid into the Training Disputes Trust Account; and/or

- (ii) recommend to any PRA that the PRA/s apply the Rules against a Trainer or an Owner in a manner recommended by the TDT (in which case it will then be a matter for the relevant PRA as to whether it implements that recommendation);
- (d) if either party intends to challenge the decision of the TDT by way of External Proceedings, it must provide written notice of that intention to the other party, the relevant PRA, and Racing Australia within 7 days of the TDT's decision. If that is done, then from that point Racing Australia and/or the relevant PRA, as applicable, must not take any action in relation to the relevant disputed Training Fees and/or Training Disbursements until, subject to TOR Rule 8(6)(e), the outcome of the External Proceedings is known;
- (e) if notice of an intention to commence External Proceedings is provided in accordance with TOR Rule 8(6)(d), but the notifying party has not provided Racing Australia with evidence of the commencement of External Proceedings within 28 days of the TDT's decision then:
 - (i) if the TDT has ordered that an amount be paid to a Trainer in respect of Training Fees and/or Training Disbursements, the Owner must pay the Trainer the amount determined by the TDT within 2 days of that date (that is, within 30 days of the TDT's decision);
 - (ii) Racing Australia and/or the relevant PRA, as applicable, may take any action in relation to the relevant disputed Training Fees and/or Training Disbursements that it is permitted to take under the Rules, provided it does not receive evidence of the commencement of External Proceedings before taking such action; and
 - (iii) if Racing Australia receives evidence of the commencement of External Proceedings more than 28 days after the TDT's decision, then from that point Racing Australia and/or the relevant PRA, as applicable, must not take any action in relation to the relevant disputed Training Fees and/or Training Disbursements until the outcome of the External Proceedings is known.
- (f) if notice of an intention to commence External Proceedings is not provided in accordance with TOR Rule 8(6)

- (d), and the TDT has ordered that an amount be paid to a Trainer in respect of Training Fees and/or Training Disbursements, the Owner must pay the Trainer the amount determined by the TDT within 7 days of the TDT's decision;
- (g) an unsuccessful party to an application before the TDT must bear the cost of the relevant Filing Fee in respect of that application;
- (h) further to TOR Rule 8(6)(g), if the Trainer succeeds before the TDT and the proceeding was commenced by the Trainer, the unsuccessful Owner must pay the successful Trainer an amount equivalent to the Filing Fee within 7 days of the TDT's decision;
- (i) further to TOR Rule 8(6)(g), if the Owner succeeds before the TDT and the proceeding was commenced by the Owner, the unsuccessful Trainer must pay the successful Owner an amount equivalent to the Filing Fee within 7 days of the TDT's decision; and
- (j) other than as provided in TOR Rule 8(6)(g) to 8(6)(i), the parties to a dispute before the TDT must bear their own costs (including any legal costs) in connection with that dispute, except that the TDT retains a discretion to order that a party (first party) pay some or all of the costs of the other party if the TDT is satisfied that:
- (i) the first party commenced or responded to the TDT proceedings vexatiously; or
- (ii) the first party's commencement of, or response to, the TDT proceedings had no reasonable prospect of success.
- (7) A TDT has jurisdiction to determine all issues or questions relevant to determining a dispute between a Trainer and an Owner (or Owners) in relation to the payment of Training Fees and/or Training Disbursements. A TDT does not have jurisdiction to determine disputes between Co-owners.
- (8) Despite anything in TOR Rule 8 and TOR Rule 2(3), a PRA is entitled to make its own rules and regulations specific to its State or Territory in relation to the role and/or processes of its TDT, provided that they are procedurally fair and are not inconsistent with the overriding purpose of TOR Rule 8, being to have in place a TDT to impartially and efficiently determine disputes in respect of Training Fees and/or Training Disbursements. This subrule means that a PRA is able to make local rules inconsistent with TOR Rules 8(4) to 8(6), but only if they are procedurally
- fair and not inconsistent with the stated overriding purpose of TOR Rule 8.
- TOR Rule 9 – Facilitating payment after a decision of a TDT**
- (1) If a TDT makes an award in favour of a Trainer:
- (a) subject to TOR Rule 8(6)(d) and 9(2), the following consequences apply to the defaulting Owner:
- (i) if the Owner owns 50% or more of the total ownership of the relevant horse, Racing Australia will not process any Stable Return seeking to transfer the horse to another Trainer;
- (ii) Racing Australia and/or relevant PRA responsible for any registration function in respect of the relevant horse will not register any transfer of the relevant Owner's interest in the horse; and
- (iii) the relevant PRA/s must, other than in a Special Circumstance to be determined in its discretion, Freeze the payment of any prizemoney to which the Owner would otherwise be entitled.
- (2) The consequences in TOR Rule 9(1)(a) will apply until the Training Fees and/or Training Disbursements the subject of the TDT's award are paid by the Owner to the Trainer.
- (3) If 14 days have passed after a decision of a TDT and the Trainer has not been paid by the Owner as required by the decision of the TDT and informs Racing Australia of that, in addition to the consequences stated in TOR Rule 9(2):
- (a) Racing Australia will notify the Owner, the Trainer and the relevant PRA/s of that, after which the relevant PRA/s must, other than in a Special Circumstance to be determined in its discretion, pay any prizemoney to which the Owner would otherwise be entitled to the Trainer in payment of any Training Fees and/or Training Disbursements outstanding to the Trainer. Subject to any Special Circumstance determined by a PRA, the defaulting Owner expressly waives any right to object to a PRA's payment of that prizemoney to the Trainer;
- (b) the relevant PRA/s will retain its powers under the Rules to take action against the defaulting Owner (including to refuse to accept a nomination for a horse to race); and
- (c) the Trainer will retain the Trainer's rights under the STA and at general law.
- (4) For the purposes of TOR Rule 9(1)(a)(iii) and 9(3), if the PRA of the TDT in which the decision was made notifies Racing

Australia that it is not in possession of an amount of prizemoney to which the Owner would otherwise be entitled that is sufficient to satisfy (in whole or in part) the payment of any Training Fees and/or Training Disbursements outstanding to the Trainer:

- (a) Racing Australia will notify the Owner, the Trainer and any other PRA/s which may be in possession of such prizemoney; and

(b) if:

- (i) one of those PRA/s is in possession of an amount of prizemoney to which the Owner would otherwise be entitled that is sufficient to satisfy (in whole or in part) the payment of any Training Fees and/or Training Disbursements outstanding to the Trainer, that PRA is a relevant PRA and Racing Australia may direct that PRA to pay any outstanding Training Fees and/or Training Disbursements to the Trainer from that prizemoney; and
- (ii) if more than one of those PRA/s is in possession of an amount of prizemoney to which the Owner would otherwise be entitled that is sufficient to satisfy (in whole or in part) the payment of any Training Fees and/or Training Disbursements outstanding to the Trainer, those PRA/s are each a relevant PRA and Racing Australia may determine the order in which one or more of those PRA/s are, on Racing Australia's direction, to pay any outstanding Training Fees and/or Training Disbursements to the Trainer from that prizemoney.

- (5) If Racing Australia or a PRA directs prizemoney to which an Owner would otherwise be entitled be paid to a Trainer pursuant to TOR Rule (3)(a), but the disputed amount has already been paid or settled as between Trainer and Owner by the time that payment is made to the Trainer, the Trainer must refund to the Owner the amount paid to the Trainer by that PRA within 7 days.
- (6) A Trainer must inform Racing Australia within 24 hours of becoming aware of having received payment from an Owner of any Training Fees and/or Training Disbursements ordered by a TDT to be paid to the Trainer.
