Wagering turnover on Tasmanian racing product increased by 12 per cent to a record \$576 million,

This strong performance in a highly competitive industry was the result of a clear commercial focus, an expanding national digital presence and a quality racing product.

Race Field Fee revenue increased by \$2.6 million, and Tasracing was able to pass on two prizemoney increases during the year.

Total prize money in 2017/18 reached \$23.3 million following two funding increases of 6.2 per cent and six per cent respectively.

Those amounts were allocated across the three codes:

Thoroughbred	\$12.76 Million, an increase of \$1.39 million compared to the previous financial year.

MYSTIC JOURNEY

Story by Peter Staples

TASMANIAN filly Mystic Journey continued her spring campaign with a brilliant win in the Group 2 Aquis Farm Fillies Classic over 1600 metres at Moonee Valley to cement her status as a genuine star.

The Adam Trinder-trained filly gave her rivals a galloping lesson on the same stage that megastar Winx notched her record-breaking fourth Cox Plate success.

Despite having to race three-wide without cover for most of the trip the three-year-old proved too good for her rivals scoring by over two lengths from Thousand Guineas placegetter Fundamentalist (\$9), with El Dorado Dreaming (\$6) a long neck astern.

Mystic Journey heavily backed to start the \$3.20 favourite on the strength of her dynamic win at her previous start at Caulfield.

Trinder was ecstatic after the win and revealed his reasons for targeting a Group 2 event instead of chasing Group 1 glory in the Thousand Guineas (1600m) at Caulfield two weeks earlier.

"This is a fantastic result for the filly and her owner Wayne Roser because we resisted the temptation to run her

in the Group 1 Thousand Guineas and targeted this race instead," Trinder said.

"We've bypassed a Group 1 but we are more than satisfied with winning a Group 2 on Cox Plate Day.

"I wanted to put her in a race that she could win and not one that may have been a hope-for-the -best type of situation."

Jockey Anthony Darmanin and Trinder had pre-race plans and that was for the filly to go forward and find a spot one-off the rail with cover, or race outside of the leader.

But when both of those plans failed Darmanin settled for allowing the daughter of Needs Further to race three-wide without cover but she was still able to creep into the race to the home turn.

"The way the race panned out she was set a task being caught three-wide with no cover but she was still able to build momentum by working into the race and the further they went the more confident I was that she would prevail."

continued over ..

When Darmanin called on the filly for the supreme effort in the home straight she raced past the leader Fundamentalist and went on to win comfortably.

Trinder has always believed the filly was Group material which is why he carefully structured a program that would lead the filly to the Fillies Classic.

"We had the race in mind for some time and for her to deliver the desired result is fantastic for us and for Tasmania."

Mystic Journey was last year's Tasmanian two-year-old of the year and this season she has so far started four times for three wins with her only unplaced effort coming in a quality 3YO race at Moonee Valley in which she was unlucky not to win.

"The filly has done a great job so she will now more than likely go to the paddock and come back for an interstate campaign in the autumn.

"We don't want to get to the bottom of her because her owner (Wayne Roser) still wants to race her as a five-year-old.

Mystic Journey was bred by Ralph & Peta Zito and foaled and reared at Armidale Stud at Carrick, arguably Tasmania's most prolific breeder of feature race winners

She is by Armidale's rising star sire Needs Further from the New Zealand-bred mare White Gold (x Columbia).

The filly was purchased at the Tasmania Magic Millions Yearling Sale by Wayne Roser for the modest sum of \$11,000, proving yet again what great value the Tasmanian sale has to offer.

Mystic Journey showed talent early by winning three feature two-year-old races, the Alexandra Plate, Alfa Bowl and the \$100,000 Listed Elwick Stakes in Hobart.

As this story goes to print Mystic Journey's record stands at nine starts for six wins for just over \$317,000 in stakes.

PROGRAMME NOTES

The Tasmanian Summer Racing Carnival represents the pinnacle of racing in the state and will once again provide excellent opportunities for participants throughout the feature summer racing period..

The 2018/2019 summer racing carnival program grid has changed from previous years due the fall of the public holidays in the early months of 2019, the alteration of the 2019 Tasmanian Magic Millions Sales, and the restructure of selected feature events.

The restructure of the program throughout the carnival period provides ample opportunities for all horses through Class and Benchmark races. The introduction of the 'Scaled' Open Handicap, will be amended on acceptances and give horses the option to compete in races more relevant to the actual field.

Throughout this grid Tasracing has reshuffled feature events to coincide with reformed progression and race venue alternatives which will provide more opportunities to horses throughout the carnival.

Two-year-old racing has been amended due to the change of the Magic Millions Sales with Feature Races throughout this period brought forward to allow horses the opportunity to contest them all.

No further stakes increases across base races have been implemented

since the additional code allocation received in December 2017, although some selected feature events received slight increases along with BM72 races which were previously run for \$17k, will now be run at \$18k from December 2018.

March sees the introduction of the first Saturday night meeting at Launceston, highlighted by the 3YO Classic, F&M Mile and Tasmanian St Leger. This meeting will also include the Tasmanian Leg of the National Apprentice Series.

ELIGIBILITY

Yearlings that qualify for the scheme are:

- Tasmanian-sired (Tasmanian-based sire)
- Tasmanian-bred (mare must be Tasmanian-owned), based on Australian Stud Book registered breeder location
- Catalogued for sale at the Tasmanian Yearling Sale (any breeding)

SPECIAL BONUS RACES

Special bonus races will offer owners and breeders an additional \$4,000 (\$3,000 owner/\$1,000 breeder) bonus for non-maiden horses winning specified 2YO and 3YO races (of \$50,000 or less).

These will include selected 2YO and 3YO feature races and 2YO and 3YO handicap races.

A maiden winning a specified race will however only be eligible for its maiden bonus (i.e. The special race bonus will not apply).

DOUBLE UP SALE VOUCHER OPTION

The scheme will also provide a "Double Up Sale Voucher" facility for owners (this does not apply to breeders). This will allow the winning owners of specified races, as designated by Tasracing, the option of converting their \$3,000 cash bonus into a \$6,000 sale credit. This credit must be redeemed at the subsequent Tasmanian Yearling Sale.

Owners will be given 14 days to notify whether they would like their \$3,000 cash bonus converted into a \$6,000 sale credit.

Conditions apply. Please refer to www.tasracing.com.au for more information.

COSTS

Breeder Nomination: \$220 (incl GST)

Owner Nomination: \$330 (incl GST)

A horse may be only breeder nominated or only owner nominated or both. A once-off fee is paid to Tasracing when the horse is a yearling and the horse then becomes eligible for a bonus whilst it is a 2, 3 and 4 year old, for its maiden win or for one of any special bonus races.
