NATIONAL SKILLS WEEK

Grades 2/3, 3 and 4

On Thursday 9 May 2019 students from Campbell Town District School visited Karalta Racing Stables at Longford.

Students were given the opportunity to see first hand the operations of a professional harness racing stable. Experiences included a variety of hands on and observational based learning activities.

The day included a tour of the property, viewing of a variety of horse training activities, safety management and animal husbandry routines.

Some of the feedback from the students highlights how the day was successful in introducing the next generation to harness racing:

"My favourite job was to help put sawdust in the stables to keep the horses nice and warm" *Luke*

"I washed the horses gear until it was clean" *Angus*

"I learnt that a horse has to be two years old to race" *Mitchell*

"My favourite thing was going on the quad bike because we got to feed the horses and see the farm" *Jack*

"I got to wash, scrap, dry and lead Full Speed Ahead and take him out to his paddock. I love the farm" *Zara*

"We cleaned out the horse pens and went on the trailer to feed the mares and foals hay" *Jai*

PROGRAMME CONDITIONS

Races Divided by Points

When races are divided by points (high and lower points divisions), the Unfulfilled Engagements and Extended Races policies do not apply if the total number of acceptors is equal to, or less than, the combined field limits.

Claimers in Open Class Races

In order to provide claimers with a continuity of opportunities to race, they will be permitted to race where the conditions stipulate.

Claimer eligibility will be determined by aligning the claiming price with the following ratings points:

Claiming Price Rating Points Transition

\$1000	50
\$2000	55
\$3000	60
\$4000	65
\$5000	70
\$6000	75
\$7000	80
\$8000	85
\$9000 +	90

Concessions will operate as per the Mares Concession and Novice Driver Concessions as approved from time to time.

If ballots are necessary, those horses eligible for the race by way of their claiming price shall be first eliminated.

In races where the draw is (or is in part) a PBD/NR, horses eligible by way of their claiming price shall be drawn at the end of each rating. For example, horses with a claiming price up to \$5000 will be eligible for a 65 to 70 rating race if the conditions permit and horses with a claiming price up to \$4000 will be drawn after the 65 rating horses, but before the 66 rating horses and the horses with a claiming price of \$5000 will be drawn after the 70 rating horses.

Waiver

Race meeting details in this publication are published on behalf of Tasracing and the Office of Racing Integrity and reserve the right from time to time to alter the date of running, to make any alteration or modification to these races, to alter the sequence of races, to cancel the meeting or any portion thereof, and to alter the time for taking entries, declaration of handicaps or acceptances, and also the right to reject, at any time, any entry submitted to or for them.

All races programmed will be run according to the Tasmanian Rules of Racing and under the Australian Handicapping Rules and the Handicapping Policies adopted by the Office of Racing Integrity unless specified in the conditions of the race.

INTRODUCTION

Harness Racing Australia has adopted a 'Ratings Based Handicapping System' as the basis for handicapping in Australia with effect from 1 July 2019.

The Rating Based Handicapping System (RBHS) supersedes the redundant multi-tiered 'Class System'.

The inherent principles of the RBHS are that it is fair, consistent, transparent and provides for the highest level of integrity at all times. It is also user-friendly and offers enhanced prizemoney opportunities for all horses irrespective of ability whilst simultaneously yielding an appealing racing product.

Under the RBHS, a horse will receive an automatic numeric rating based on its finishing position after every racing performance. Therefore, an owner, trainer or any other interested person will be able to readily update a horse's rating using a simple matrix that details the ratings points applicable to each finishing position within a range of stakemoney thresholds.

The rating of all horses will be published on the internet site 'HarnessWeb' and where possible in print and electronic media displaying racefields and form guides.

1. DATE OF EFFECT

- 1.1 All horses competing at Harness Racing meetings on or after 1 July 2019 shall be handicapped in accordance with these Rules.

- 1.3 A horse that has raced prior to 1 July 2019 shall commence to race thereafter with its Rating calculated:
 - (a) as at midnight on 30 June 2019 in accordance with the Australian Handicapping Rules 2019 and as thereafter amended, and

specified by the respective Controlling Body.

Example: A Concession Driver claiming a concession of five (5) Rating points may be replaced by another Concession Driver who is eligible to claim five (5) Rating points but not by a Concession Driver only eligible to claim three (3) Rating points or by a driver not eligible to claim a concession.

13. LOCAL HANDICAPPING RULES

13.1 A local handicapping rule of a Controlling Body shall not affect the Rating of any horse under these Rules and shall be applicable only in respect of a race programmed by such Controlling Body.

13.2 The Rating of a horse under a local handicapping rule of a Controlling Body shall be kept separate from the horse's Rating under these Rules which shall be maintained and kept current by such Controlling Body.

14. TRANSITION TO RATINGS BASED HANDICAPPING

14.1 The transition from the Class System to Ratings Based Handicapping will commence at midnight on 30 April 2019 when a Transfer Rating for all horses aged 2YO or older will be calculated based on the Conversion Table and inclusive of Rules 14.4 and 14.5 herein.
