35. In the event that the lead pony and the horse being led wish to pass another horse on the track, that horse must move to the inside of the track.
36. When using the sand roll the area must be cleaned after use. No horse shall be left unattended or lunged in the rolling boxes.
37. Horses with skin or respiratory illnesses are not permitted to use the pool or sand roll and may be excluded from the centre. Trainers with horses with skin ailments using the wash must provide own scraper.
38. Tasracing reserves the right to amend or vary these Rules from time to time with any amendments to be displayed on the notice board.

TRACK INCIDENTS/EMERGENCIES PROCEDURES

In the event of a trackwork accident or trackwork rider being dislodged, a warning siren will be sounded. All riders already on track are to ease their mounts and proceed with caution. No other horses will be permitted to enter the track until all clear is given by the Track Supervisor.

Any injury, incident or near miss which occurs anywhere at the Centres must be reported immediately to the onsite Track Supervisor. The Track Supervisor is then required to complete the appropriate form and email to WHS@tasracing.com.au within 24 hours of the incident (Appendix 1 – Incident Report).

Situations that seriously endanger the health and safety of people in the immediate vicinity require notification to Tasracing.

Track rules are in accordance with the ARB rules of racing and are correct at time of printing, any alteration by the ARB will supersede incumbent rule
