

20th November 2020

Dear Driver,

TASRACING HARNESS ACADEMY

The Tasracing Harness Academy was re-introduced in early 2019. This was done so to provide our Novice Drivers further education to assist with individual development and improving contribution to the harness industry in Tasmania.

Our Harness Academy Instructor is Barrie Rattray, a stalwart in our Industry with years of experience in both training and driving.

Mr Rattray will be providing a classroom style session which will cover a range of topics covering the harness code. These sessions will be catered for quarterly in both the North and South of the state.

As part of the Harness Licensing Requirements it is mandatory that any training set by Tasracing be complied with, and therefore it is a requirement that all novice drivers attend a minimum of 2 sessions per year.

Mandatory Training Requirements To obtain and/or maintain a licence of any category, participants must comply with any training requirements as mandated by Tasracing from time to time. For information on current training requirements for any licence category, please contact Tasracing on (03) 6212 9333.

If you are unable to attend for a specific reason Mr Rattray is to be notified within a timely manner. Non-attendance will be reported to the Stewards.

For any questions or queries regarding this please contact me on (03) 6212 9307.

Yours sincerely,

Angela Barrett
