TASMANIAN GREYHOUND RACING CALENDAR

2021-2022

“

...it's
why
we
race

”

A message from Tasracing, on behalf
of over 5,000 Tasmanians employed
directly and indirectly by racing.

itswhywerace.com.au

From the
**CEO's
DESK**

As we head into the new racing season, it's extremely pleasing to see the greyhound code in good shape.

We continue to see strong wagering performance for the code, and outstanding greyhounds going around our tracks.

It was pleasing to see our industry represented so positively at this year's Agfest, despite lower overall attendance due to COVID restrictions. I was pleased to see so many families and people young and old meet our ambassador greyhounds and their handlers. We were also lucky enough to secure the attendance of well-known entertainer Todd McKenney, also the official national ambassador for the Greyhound Adoption Program. His presence helped us achieve a huge audience of Tasmanians with positive messages on how our code looks after greyhounds, and how committed we all are to their happy and healthy lives in retirement.

Of course, we remain highly focused on the task of growing revenue in order to underpin sustainable investment in infrastructure, stakes and participant attraction for the code. Tasracing has recently enhanced our digital product offering. Formplus Pro was released in June with the aim of giving wagering customers and fans of Tasmanian racing the widest possible range of content and information.

In closing, I'd like to express my thanks to each and every one of you engaged in Tasmania's greyhound code. The entire team at Tasracing are committed to working alongside you to achieve our shared vision of a vibrant, sustainable industry valued by the entire community for our contribution to Tasmania.

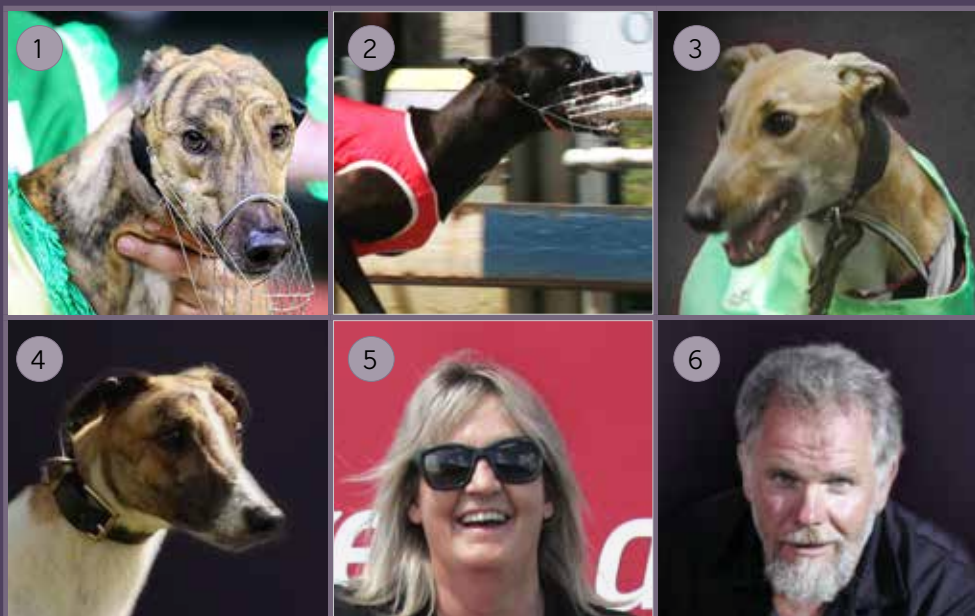

Yours in racing.

2. POLICY

2.1. SHORT SPRINT AND SPRINT RACES

2.1.1. SPECIAL CONDITIONS FOR A SERIES CONDUCTED IN HEATS, SEMI FINALS AND A FINAL

2.1.1.1. Any series conducted in Heats, Semi Finals and Finals (excluding Breeders Classics) shall be conducted in accordance with the conditions defined in the Feature Race Conditions for the event, subject to the following:

Number of Heats	Semi Finals	Final

5 or 6	3	1
3 or 4	2	1

2.1.1.2. In the event of insufficient nominations to conduct at least 3 Heats with at least 7 eligible nominations in each heat then no Heats will be conducted. In this case two Semi Finals and a Final will be conducted on the dates advertised provided there are at least 7 eligible first preference heat nominations for each Semi Final. The fields for the Semi Finals shall be selected from those greyhounds with a first preference nomination for the Heats with eligibility and field selection on the grade and order of choice at the time the fields for the Semi Finals are drawn.

2.1.1.3. If there are insufficient eligible first preference nominations to conduct Heats or Semi Finals then, provided there are at least 7 eligible first preference nominations for a Final, a Final only will be conducted on the

2.1.1.4. The number of Heats scheduled for each series shall be the maximum number of Heats to be conducted. The number of Heats to be conducted shall be reduced in accordance with the number of eligible first preference nominations received as per the Heats/Nominations table.

2.1.1.5. A greyhound must contest and finish in a race in a series or in the case of an abandoned or No Race have been entitled to contest the race at the time the race was abandoned or was declared a "No Race", before being eligible for and/or listed in the field of a further race in the series.

2.1.2.1. Any series conducted in Heats and Final shall be conducted in accordance with the conditions defined in the Feature Race Conditions for the event, subject to the ruling that if there are insufficient first preference nominations to conduct at least 2 Heats with at least 7 eligible nominations in each heat then no Heats shall be conducted.

2.1.2.2. If Heats are not conducted, provided there are at least 7 eligible first preference nominations for a Final, then a Final only will be conducted on the date advertised for the Final. If there are 8 or more eligible first preference nominations for the heats, then the field for the "Final Only" shall be selected from those greyhounds with eligibility and field selection on the grade and order of choice at the time the fields for the final are drawn. If there are less than 8 eligible first preference nominations for the heats, then new nominations shall be called for the "Final Only" and connections must re-nominate for the "Final Only" and the field shall be selected from the nominations received with selection preference going to those greyhounds that had an eligible first preference nomination for the heats.

2.1.2.3. The number of Heats scheduled for each series shall be the maximum number of Heats to be conducted. The number of Heats to be conducted shall be reduced in accordance with the number of eligible first preference nominations received as per the Heats/Nominations table.

there are insufficient first preference nominations to conduct at least 2 Heats with at least 8 eligible nominations in each heat then no Heats shall be conducted on the first day of the series.

2.1.3.2. In the event of a late scratching from the first series of Heats then the reserve to contest the second series of Heats shall be drawn by lot from the full list of reserves that were named but not withdrawn and did not obtain a start in the first series of Heats. Every effort will be made to accommodate the requests approved to be in the first race of each group of heats, however should there be more approved requests than the number of greyhounds in the fields for the first race of each group of heats, then a greyhound may be placed in the second race of a group and then in the third race in a group until all requests are catered for. GREYHOUND ADOPTION PROGRAM | TASMANIA

Proudly operated by Tasracing

ABOUT GAP

Established by Tasracing in 2009, the Greyhound Adoption Program (GAP) Tasmania finds permanent homes for these loveable dogs when they have retired from racing.

Every greyhound that enters the GAP Tasmania is temperament assessed and undertakes an individualised enrichment program to prepare for pet life. The greyhounds spend their days socialising with different breeds of dog and completing their numerous enrichment activities such as stair training, lounge room behaviour training and learning to get in and out of a station wagon (backseat and boot). The greyhounds can also spend three weeks with GAP volunteer Foster Carers who help prepare them for pet life, while also gathering important information about each dog's personality to help GAP staff match the right dog with the right home.

All greyhounds enter their new homes de-sexed, with up-to-date flea and worm treatment, a current C5 vaccination, teeth polished, nails trimmed and microchip registered to their new owner.

The Greyhound Adoption Program Tasmania is operated by Tasracing as a not-for-profit program, run by a dedicated team of animal lovers.

GAP ENTRY PROCESS

PREPARING YOUR GREYHOUND FOR PET LIFE

There are several things you can do to transition your greyhound into a pet lifestyle.

These include:

- Get your greyhound used to spending time loose in the back yard – pet homes do not generally have kennels and runs.
- Get your greyhound walking comfortably on a lead by your side.
- Introduce your greyhound to strangers and children under supervision.
- Take your greyhound out on street walks to the park, past the local school or shopping centre and beside busy roads.
- Bring your greyhound into the house for short periods at a time.
- Introduce your greyhound to stairs and slippery floor surfaces like tiles, linoleum or polished floorboards.
- Introduce your greyhound to other animals under controlled circumstances – cats, other dog breeds, horses, caged birds, poultry and other small animals.
- In a careful manner handle your greyhound while it is eating to get it used to distractions at meal time.
- Groom your greyhound – brush regularly.
- Some dogs can initially be stressed at the changes they are experiencing and may lose weight. Ideally your greyhound should be 2kg above their last racing weight on transition to pet life. Work to add approximately 2kg to your greyhound.

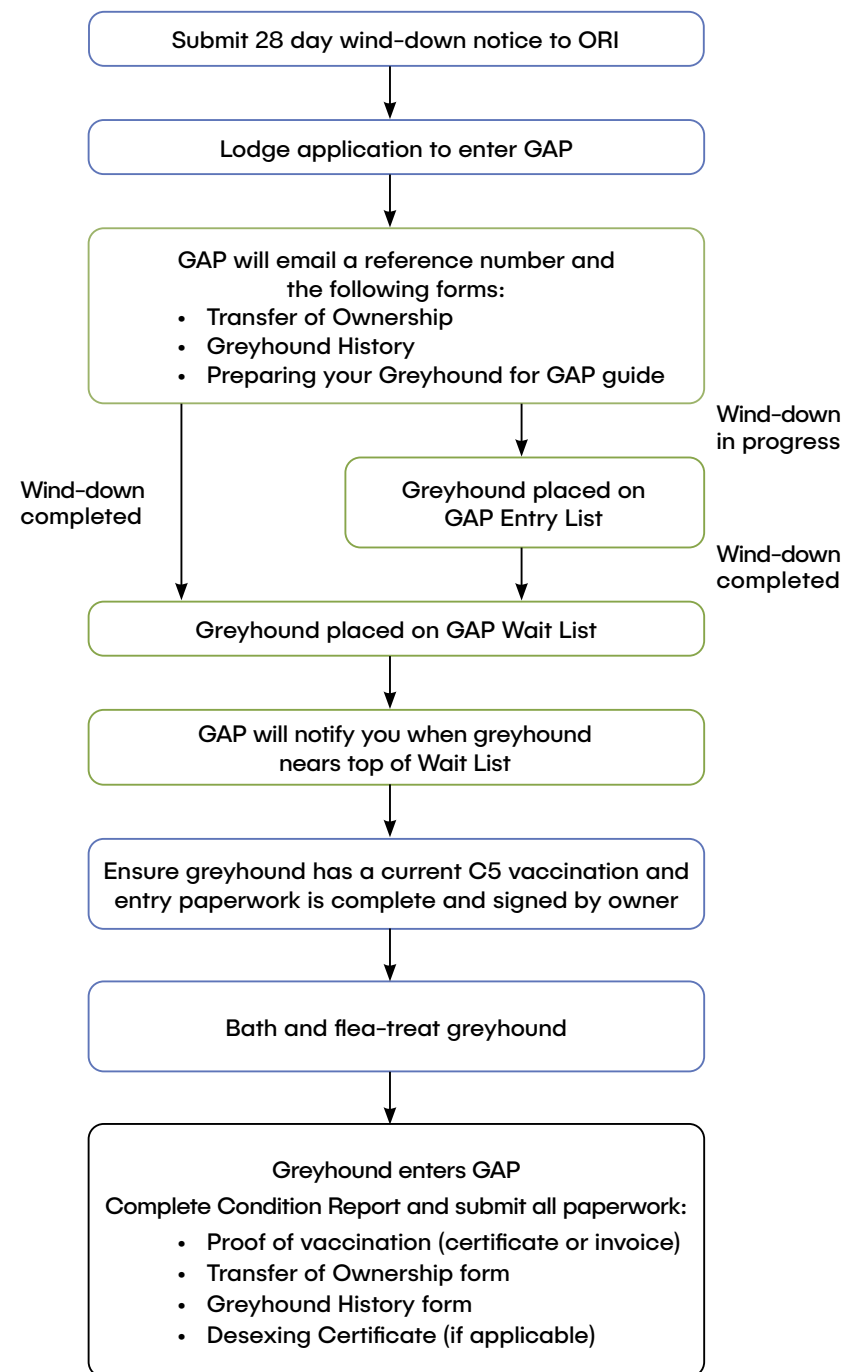

AMENDMENT TO GAP VACCINATION REQUIREMENTS AND WAIT LIST ELIGIBILITY CRITERIA

All greyhounds entering GAP must have a current C5 vaccination.

Following a review, GAP have amended the definition of a 'current vaccine' to one that is administered a minimum of 14 days and a maximum of 11 months prior to entry (previously it was a minimum of 14 days and a maximum of 9 months).

The GAP have also amended the Wait List eligibility criteria. Previously, to gain a place on the Wait List, a greyhound must have completed the 28-day wind-down and must have had a current C5 vaccination. Now, to join the wait list, a greyhound must only have completed the wind-down period.

When a greyhound nears the top of the wait list, the GAP team will notify the owner, and the owner must ensure the greyhound has a current C5 vaccination before entry to GAP.

THE GAP TEAM

Over the past couple of months, there have been several changes within the GAP team.

New GAP Manager, **Lianne Salerno**, commenced mid-April, bringing with her a wealth of experience in animal health, business management and leadership. Prior to joining Tasracing, Lianne worked as Welfare Inspector / Investigative Steward for Greyhound Racing Victoria. Lianne also worked for many years as the Animal Care Coordinator at the University of Melbourne's School of Veterinary Science, and has worked as an Animal Studies teacher at TAFE Victoria. Lianne currently serves in the Australian Army Reserve as a Combat Medic / Veterinary Nurse and recently coordinated the treatment and care of wildlife injured in the Kangaroo Island bushfires.

In May, GAP bid farewell to Animal Care Attendant, **Phil Mascall**. Phil joined the team in September 2019 and was involved in all aspects of GAP operations – animal care, behaviour assessments, transport, customer services and facility maintenance. Phil was an integral part of GAP's transition to the new facility at Mangalore, dedicating a lot of time to preparing and modifying the facility prior to the greyhounds moving in.

Eleanor Medhurst joined GAP in February 2020 as a part-time Animal Care Attendant, quickly becoming a valuable member of the team. Eleanor has now been appointed to a full-time position and continues to work across all areas of the program, from animal care to adoptions.

Tahlia Langford joined the team in mid-June as an Animal Care Attendant. Tahlia has a strong background in customer service and is passionate about animal health and welfare. Tahlia has a Certificate II in Animal Studies and practical experience with a local veterinary clinic and Bonorong Wildlife Sanctuary.
