From the
**CEO's
DESK**

Welcome to this edition of the Harness Racing Calendar.

We're heading at great pace towards the peak season and the tri-code Ladbrokes Tasmanian Summer of Racing Carnival.

November will see the running of the 3YO Sires Stakes at Launceston with Heats on the 7th and Finals on the 21st. Early December we will see some of the states best vie for the \$30k Tassie Golden Apple. We then head to Hobart for a dual code meeting with a Thoroughbred day meeting rolling into a Harness night meeting, with Christmas festivities planned.

January will see the commencement of the Country Cups. It will be great to see racing back at St Mary's and Scottsdale in 2022 after both were forced to abandon or postpone due to COVID in 2021.

In my introduction for the previous Harness calendar I said that Tasracing is highly focused on growing revenue in order to underpin sustainable investment in infrastructure, stakes and participant attraction for the code. I'm pleased that this focus has helped us increase stakes for the harness code, and I would like to thank the Harness Industry Forum (HIF) for their contribution to the structure of the new stakes increases announced by Tasracing at the end of September.

With the launch of Formplus PRO in July, the product has exceeded our expectations in terms of customer sign-ups and increased efficiency of communication with our customers and fans. We will continue to enhance our digital customer experience as a key part of our strategy to grow the industry.

In early September Tasracing commenced a new media partnership with Sports Entertainment Network (SEN). This gives us weekly national exposure to the wagering market with new Tasmanian racing panel shows including a weekly segment on SEN Track radio's harness show, as well as a dedicated harness segment within a new weekly Tasmania only show on SEN Track radio – Tasracing Talk. Feedback from listeners has been very positive, and the new shows have also resulted in spikes in sign ups to Formplus PRO and audience numbers for Tasracing TV live race day coverage. We look forward to working on growing the partnership further and seeking further opportunities to promote the harness code.

On behalf of the Tasracing team I wish all Tasmanian harness participants a safe and rewarding season ahead.

Yours in racing.

BLAME IT ON ME

TOO GOOD IN MARES FEATURE

Article by Duncan Dornauf
Photography by Bill Hayes

A trip to Victoria is on the cards for Blame It On Me following her win in the Group 2 Collins Homes Granny Smith Final in Devonport on Sunday night.

The Big Jim mare was going into the race third-up from a break and was sent out the \$1.20 favourite after coming up with the pole draw.

But the race didn't go to script early when Better Amour crossed in the early stages of the 2665-metre event, but driver Natalee Emery was able to get straight off the pegs with Blame It On Me and was able to retake the lead at the three-lap mark.

From there, Blame It On Me was always going to be hard to run down, going on to score by 6.6 metres over Better Amour, with Iden Gorgeous back in third position in a mile rate of 2.03:3.

"One is better than 11 around Devonport, but those horses drawn in the middle of the track do gain a little bit more speed coming out of the gate, it was probably not what I anticipated, but it was not totally unexpected," said driver Natalee Emery post-race.

Although defeated as a short price favourite in the Prelude, Emery was still pleased with the run.

"I know her back to front and she went really well in the prelude, although she didn't win I was super happy with her running third," she said.

Blame It On Me had a rushed preparation to make the \$50,000 event after trainer Doug Nettlefold had planned a preparation around the race being held later in the year, as was the case last season, with the mare being rushed into the final third-up from a break.

"We found out the race had been moved eight weeks ago and it cut into our program a fair bit, so it was a short program which meant she wasn't quite 100% in the prelude but was able to freshen her up a bit after those two tough runs," the trainer said.

Blame It On Me, who won the three-year-old leg of the Tasmanian Sires' Stakes series, is lucky to be back on track after an injury that saw her sidelined for several months last season.

"Considering when you go back 12-15 months ago she had a broken leg, she has got three pins in it now, so to get her back to the races and win races like this shows you how gutsy the horse is," Nettlefold explained.

The trainer is contemplating a trip across Bass Strait for the pacer.

"There is a mares series coming up next month (in Victoria), so she was on trial a little bit tonight for that," said Nettlefold.

The trainer is in the process of making plans for the trip, given the current COVID-19 situation in Victoria.

SAM AND OLLIE PICK UP THE PACE EN ROUTE TO NATIONALS

... former pacer Ollie takes a shine to pony club and become the first standardbred to tackle Pony Club Nationals.

Story and photograph by
Peter Staples |

It is common for thoroughbreds to make the transition from racing to the show ring but a standardbred (pacer) named Ollie is also making waves in the pony club arena.

Ollie, that raced as Ezygatboy for premier harness trainer Ben Yole, has taken novice rider Samantha (Sami) Barker on the ride of her life and they will team up to contest the Pony Club Nationals in Victoria at the end of September.

Sami and Ollie made their way to the Nationals courtesy of top performances at the Pony Club State Trials in May. Club State Trials in May.

Ollie is a former pacer that had 35 starts for five wins and three minor placings for over \$25,000 in stakes, notched his first four wins in Western Australia before relocating to Victoria where he won at Mildura before finally landing a berth in Yole's stable.

This year Ollie entered Tasracing's Off the Track Subsidised Lessons Program under coach Kristin Pitt.

Having reached the pinnacle of his ability on the racetrack, the nine-year-old gelding has relished the chance to embark on a new chapter of his competitive life.

But this time around Ollie has teamed up with a 13-year-old who not only has a great rapport with the former pacer but is learning her craft while she teaches the gelding how to come to terms with equestrian disciplines.

Samantha, who is in grade eight at Launceston Christian School, was first introduced to horses about two years ago when she was asked to go on a trail ride by her neighbour and friend Haylee Chilcott.

The Barkers have a property at Turner's Marsh, about a 20-minute drive from Launceston's CBD with their backyard of bushland that serves as an ideal training course for the teenager and her beloved ex-pacer.

"When I first tried riding, I was petrified, but after my first trail ride, I loved it and I just kept on going out for rides with Haylee and eventually Mum and Dad looked to buy me a horse and we were lucky enough to have Ollie given to us," Sami said.

"I couldn't have got a better horse to start me off because he is just so honest, and he deals with everything I ask of him.

"He's prepared to try anything and that gives me so much more confidence."

Sami was keen to take horse riding seriously and her interest broadened when she joined the Lilydale Pony Club in July last year and in November, she started serious OTT training with Ollie.

She progressed quickly, as did Ollie, and they will get their chance to shine in the sub-junior section at the Nationals in September and in a relatively new discipline Tetrathlon that comprises swimming, running, laser shooting and equestrian (jumping).

"I like swimming and I am fair at running; I am a member of a pistol club and I love horse riding and jumping horses, so it's a perfect sport for Ollie and me."

"When Ollie first started out jumping in November last year, he couldn't even handle trot poles, but today he's jumping 80 centimetres on a course and he's improving every day."

SAM AND OLLIE PICK UP THE PACE EN ROUTE TO NATIONALS

Continued

Sami has had great tuition with Jules Targett her riding coach and Kristin Pitt has come on board to assist with Ollie's progress as part of the OTT Subsidised Lessons Program.

"I've been lucky to have very good coaches. Jules (Targett) who has been helping me a lot with my jumping technique since November and Kristin (Pitt) has helped with getting Ollie cantering and educated to deal with jumping and responses.

"I love what I'm doing with Ollie, and it is so pleasing to see how he has grown in confidence and that also helps me."

Ollie is the first standardbred to make a state pony club team and he will be the only former pacer competing at the nationals.

Sami is looking forward to representing the state and she also has eyes on the future.

"The next step up from Tetrathlon is Modern Pentathlon and that is an Olympic sport which is the same as Tetrathlon plus fencing.

"Because I have a black belt in Tae Kwon Do, I should be able to pick up fencing skills more easily than most, so that could be my ultimate goal."

The Tetrathlon comprises a one-kilometre run, a 100-metre swim, laser pistol shooting from a seven-metre guideline and cross country and show jumping with Ollie.

The final discipline also requires the rider and horse to move through a sling gate that the rider must unlock while mounted and re-lock once the horse passes through the gate sideways.

"A year ago, I didn't think I would be riding as well as I am, let alone representing the state in a national competition."

The Pony Club Nationals will be held in Victoria at the Benalla Equestrian Reserve from 26 September – 2 October.

RACE PROGRAMMES

OCTOBER - JANUARY 2022

YOUR BEST CHANCE TO GAIN A START !

Trainers can and should accept for more than one race at a meeting. Trainers are strongly encouraged to nominate for multiple races that their horse is eligible for.

If you have a preference, these must be clearly advised either on the Fax Acceptance Form or on Harnessweb by a brief message in 'Nomination Comments' i.e (01: 1st Pref, 02: 2nd Pref). Please keep preferences very brief (less than 25 characters).

If preferences are not advised by the closing time for acceptances ORI will place the horse at their discretion. A horse with a preference (2nd) may be moved to that race rather than left as the emergency in its first preference.

While preferences will be considered, ORI may place a horse at their discretion to maximise race numbers or field sizes.

If you are unsure if your horse is eligible for multiple races, please contact ORI (03) 6777 1900.

PROGRAMME CONDITIONS

Races Divided by Points

When races are divided by points (high and lower points divisions), the Unfulfilled Engagements and Extended Races policies do not apply if the total number of acceptors is equal to, or less than, the combined field limits.

Claimers in Open Class Races

In order to provide claimers with a continuity of opportunities to race, they will be permitted to race where "Also Eligible" conditions stipulate.

Claimer eligibility will be determined by aligning the claiming price with the following ratings points:

Claiming Price	Rating Points Transition	Claiming Price	Rating Points Transition
\$1000	50	\$6000	75
\$2000	55	\$7000	80
\$3000	60	\$8000	85
\$4000	65	\$9000+	90
\$5000	70		

Concessions will operate as per the Mares Concession and Novice Driver Concessions as approved from time to time.

Claimers nominating for races under the "Also Eligible" clause shall be deemed eligible for the race if they meet the also eligible criteria and shall not be deemed to be nominating in advance of their rating. Claimers with a transition rating less than the front of the race shall be deemed to be a rating of the front of the race.

If ballots are necessary, those horses eligible for the race by way of their claiming price shall be first eliminated.

In races where the draw is (or is in part) a PBD/NR, horses eligible by way of their claiming price shall be drawn at the end of each rating. For example, horses with a claiming price up to \$5000 will be eligible for a 65 to 70 rating race if the conditions permit and horses with a claiming price up to \$4000 will be drawn after the 65 rating horses, but before the 66 rating horses and the horses with a claiming price of \$5000 will be drawn after the 70 rating horses.

Waiver

Race meeting details in this publication are published on behalf of Tasracing and the Office of Racing Integrity and reserve the right from time to time to alter the date of running, to make any alteration or modification to these races, to alter the sequence of races, to cancel the meeting or any portion thereof, and to alter the time for taking entries, declaration of handicaps or acceptances, and also the right to reject, at any time, any entry submitted to or for them.

All races programmed will be run according to the Tasmanian Rules of Racing and under the Australian Handicapping Rules and the Handicapping Policies adopted by the Office of Racing Integrity unless specified in the conditions of the race.

Race programming details advertised in the Harness Calendar are correct at the time of publishing. Please refer to Harness.org for updated programmes.

Tasracing advises all racing participants and members of the public that under no circumstances are children allowed access to Restricted Areas at Tasracing venues. Clear signage at all racing venues identifies the location of Restricted Areas, and states that no children are permitted access. Under the Work Health and Safety Act 2012 (Tas), Tasracing as the PCBU has a duty to ensure, so far as is reasonably practicable, that the health and safety of persons is not put at risk from work carried out as part of the conduct of the business or undertaking at its venues. Restricting access for children within Restricted Areas assists with protecting their safety, and the safety of those using these areas.
