

	PROCEDURE	
GREYHOUND – STATEWIDE – CODE ORANGE 1 COVID SAFE SEGREGATED OPERATING PROCEDURES		
CONTROLLER: RACING OPERATIONS MANAGER	OWNER: CEO	
REVIEWED: DECEMBER 2021	SCHEDULED REVIEW: FEBRUARY 2022	
<i>PROTECT YOURSELF. PROTECT THE INDUSTRY.</i>		
<i>TASRACING STRONGLY RECOMMENDS ALL PARTICIPANTS GET FULLY VACCINATED AGAINST COVID-19</i>		

1. PURPOSE

The purpose of this Procedure is to outline the protocols that demonstrate our compliance with the *Minimum Standards (Work Health and Safety Amendment Regulations 2020)* and is a direction to those that enter the venue pursuant to Tasracing’s Conditions of Entry, which must be complied with.

This Procedure demonstrates Tasracing’s ability to protect Tasracing’s workers, racing industry participants, stewards, racing officials and the public as Tasracing operates with hygiene and safety protocols during the COVID-19 pandemic for the purpose of Greyhound racing and trial operations at the venue.

This Procedure should be read in conjunction with Tasracing’s Working Safely in a COVID-19 Environment Policy and Tasracing’s Conditions of Entry (available at the entrance of each venue or at <https://tasracingcorporate.com.au/conditions-of-entry/>).

2. SCOPE

This Procedure applies to:

Workers	Tasracing employees (including full-time, part-time, casual and fixed term employees), volunteers, contractors (security, Track Marshalls and suppliers to Tasracing) (collectively referred to as Tasracing Workers).
Racing Industry Participants	All persons licensed by the Office of Racing Integrity (including, but not limited to, owners, trainers and attendants) who are engaged in racing, trialing and training activities at the venue.

Stewards	Stewards of the Office of Racing Integrity (ORI).
Racing Officials	Includes judges, vets, track workers, attendants, club committee members, club employees and any other position deemed to be a Race Official by Tasracing or ORI.
Public	All persons attending the venue which do not fall within any of the above categories of persons in this section 2.

3. **PROCEDURE STATEMENT**

Tasracing is committed to providing a healthy and safe working environment and has identified alternative ways to deliver its racing operational practices to limit the spread of COVID-19. It is imperative that you comply with the safety standards outlined in this Procedure to safeguard racing in Tasmania.

DEFINITIONS (For the purpose of this Procedure:)

“workplace”	means a place of work for Tasracing Workers and the racing, trialing and official training venues; including Ladbroke’s Racing Centre (Launceston), Ladbroke’s Park (Hobart), Devonport Showgrounds (DAPS), Brighton Training Centre and Ulverstone Straight Track where the race meetings, trial sessions and training is held.
“venue”	means Ladbroke’s Racing Centre (Launceston), Ladbroke’s Park (Hobart), Devonport Showgrounds (DAPS), Brighton Training Centre and Ulverstone Straight Track as applicable to the location of the race meeting or trial session.

4. CORONAVIRUS

4.1 Symptoms

The main symptoms of COVID-19 include:

- fever (or signs of fever, including chills or night sweats);
- coughing;
- sore/itchy throat;
- runny nose;
- shortness of breath; and
- loss of taste or smell.

COVID-19 can also cause the following symptoms, on their own or with other symptoms:

- headaches;
- muscle and joint pain;
- nausea/feeling sick, vomiting;
- diarrhea;
- loss of appetite; and
- fatigue/extreme tiredness.

If you have any of these symptoms **do not attend** your workplace or any venue. You will be denied entry or removed from the workplace or venue if you have or show these symptoms.

4.2 Protect others and stop the spread of the virus.

It is a requirement that you practice good hygiene, physical distancing and understand checking in and when to self-isolate if you need to.

These practices will slow down the spread of the virus.

Vaccination	<ul style="list-style-type: none">• All people aged 12 years and over can get vaccinated against COVID-19.
--------------------	--

	<ul style="list-style-type: none"> • Tasracing strongly recommend that all participants are fully vaccinated. • To book your vaccination go to: Where to get a vaccine Coronavirus disease (COVID-19)
Good Hygiene	<ul style="list-style-type: none"> • Wash your hands often with soap and water for at least 20 seconds and dry them with clean paper towel. • Handwashing should occur before and after eating, after going to the bathroom, after coughing and sneezing, when changing tasks and after touching potentially contaminated surfaces. • use alcohol-based hand sanitisers when you can't use soap and water. • avoid touching your eyes, nose, and mouth. • maintain good hand, sneeze, and cough hygiene. • clean and disinfect surfaces you often use such as benchtops, barriers, and doorknobs, shared equipment such as photocopiers, tools; and • clean and disinfect objects you often use such as mobile phones, keys, wallets, and work passes.
Physical distancing	<p>The more space between you and others, the harder it is for the virus to spread.</p> <ul style="list-style-type: none"> • Physical distancing at the venue means you keep 1.5 meters away from others wherever possible. • Workstations will be repositioned to ensure adequate spacing of 1.5 metres apart. • For close-proximity work (where physical distancing of 1.5 metres is not possible) other control measures should be implemented such as wearing masks or using Perspex shields.

	<ul style="list-style-type: none"> • Avoid physical greetings such as handshakes. • Increase the amount of fresh air by opening windows.
<p>Checking In</p>	<p>Checking in using the <i>Check in TAS</i> app will help to keep ourselves, our loved ones, and our community safe and keep Tasmania open for business.</p> <p>Checking in using the <i>Check In TAS</i> app to scan the QR code at a venue or recording your details on a manual register is a mandatory requirement for all persons over the age of 16 that wish to enter a range of businesses, organisations and events in Tasmania. (Tasracing’s training and racing venues are included in this requirement). Staff/volunteers that work at these venues are also required to check in each day they work/volunteer.</p> <p>The information recorded through <i>Check in TAS</i> is automatically stored securely within the Department of Health for rapid response contact tracing if required and is automatically deleted after 28 days.</p> <p>Manual registers will be kept confidential by Tasracing (or the relevant Venue) for a period of 28 days, after which it will be destroyed. All information will be collected and handled in accordance with Tasracing’s Privacy Policy, available at tasracingcorporate.com.au.</p> <p>For those who do not own a smart phone or are unable to download the <i>Check in TAS</i> app you can now register for a <i>Check in TAS</i> card. For more information go to:</p> <p>Check in TAS card now available Coronavirus disease (COVID-19)</p>
<p>Self-isolate</p>	<p>A person with COVID-19 or suspected to have the virus must enter mandatory isolation. You will need to isolate to prevent the spread of the virus to others at your home if it is suitable, hospital if you need hospital care or another location if needed as decided by the public health authority.</p>

Masks	If required under current Public Health restrictions. Information on how to wear a mask can be found at Masks Safe Work Australia (swa.gov.au) .
Travel	In accordance with section 6.1, if you are subject to a period of quarantine or self-isolation which has not yet expired, you must not attend a Tasracing Venue. This includes persons classified as Essential Travellers.

4.3 Tasmanian Public Health Hotline – 1800 671 738

If you have questions and concerns about the impact of COVID-19 on your health and events or you are experiencing any of the symptoms outlined by public health authorities, contact the Tasmanian Public Health Hotline on 1800 671 738.

4.4 Mental Health

If you have any concerns regarding COVID-19 and its impact on your mental health, counselling sessions are available via Tasracing’s Employee Assistance Program: Positive Solutions – 1800 064 039. The Employee Assistance Program is available for employees, immediate family members of employees and racing industry participants in Tasmania.

For more detailed information about the benefits of the Employee Assistance Program and the categories of people that are eligible to use it, please see the page on our website: [Positive Solutions: Employee Assistance Program for employees, immediate family members of employees and racing industry participants in Tasmania \(tasracingcorporate.com.au\)](#)

5. RESPONSIBILITIES

ROLE	RESPONSABILITY
Chief Executive Officer (CEO)	The CEO is responsible for: <ul style="list-style-type: none"> • Implementing this Procedure. • Monitoring the effectiveness of the Procedure (proactive risk management of

	<p>determining the effectiveness of the control measures); and</p> <ul style="list-style-type: none"> • Continual improvement of the Procedure
Security/Track Marshalls	<p>Security/Track Marshalls are responsible for:</p> <ul style="list-style-type: none"> • providing on-site education and ensuring compliance of this Procedure by all attendees at a venue; • monitoring and reporting compliance of the Procedure by all attendees at a racing, trialing or training venue; • reporting the effectiveness of the Procedure controls; • ensuring the maximum attendance numbers stipulated in section 6.2 (gathering limits) are not exceeded and will monitor social distancing throughout the venue. • recommending improvement opportunities to the CEO; and • seeking continuous Procedure improvement for enhanced compliance.
Tasracing Workers	<p>Tasracing Workers must comply with this Procedure and assist Security/Track Marshalls and Officials in ensuring that all attendees at a race meeting, trial or training venue comply with this Procedure.</p> <p>Tasracing Workers are responsible for identifying improvements to compliance controls and reporting them to the CEO.</p>
Racing Officials	<p>Racing Officials must comply with this Procedure and provide written recommendations for improvements for enhanced compliance controls to the CEO.</p>

Racing Industry Participants	Racing Industry Participants have a responsibility to understand, observe and comply with this Procedure and related procedures and to identify and report improvements to enhance compliance controls to the CEO.
General Public	Members of the general public have a responsibility to understand, observe and comply with this Procedure and related procedures.

6. GREYHOUND RACE / TRIAL DAY PROTOCOLS

6.1 Before leaving home

Do not attend a venue if you feel ill or have any of the symptoms outlined in section 4.1.

If you identify with any of the below criteria, you **MUST** stay home and not attend any venue:

- You are suffering COVID-19 symptoms or are otherwise unwell.
- You are subject to self-isolation or quarantine requirements imposed by the Tasmanian Government/Public Health authority and the period of self-isolation/quarantine has not expired. This includes persons classified as Essential Travellers unless such person is deemed to be an Essential Traveller for the conduct of the race meeting and has obtained prior written approval from Tasracing.
- You have been in close contact with a person confirmed to have COVID-19.

6.2 Venue Restrictions and Hygiene

In addition to good hygiene requirements outlined in section 4.2 the following procedures will take place at venues for all race meetings, trial and training sessions:

- Every person 16 years of age or older must check-in using the Check-in Tas App every time they enter the site. QR codes are available at all entrances and throughout the venue as well as paper-based registers for those persons who do not have a suitable device for the Check-in Tas App. **No check-in – no entry.**

- Gathering density limits apply to indoor and outdoor spaces in accordance with government restrictions and for racing events. Current gathering limits can be found at [Gatherings, density and physical distancing | Coronavirus disease \(COVID-19\)](#).
- All workstations and official race day areas will be set up to allow a maximum density rule of 2 square metres (m²) per person and will have regular cleaning of high touchpoints including Stewards/Judges Tower, Race Day room and TV Tower.
- General cleaning of venues will occur in accordance with Tasracing's Cleaning Plan (Appendix 2).
- Events at the venue will be operated in accordance with the Government Framework for COVID-19 Safe Events and Activities.
- Food or drink will be available to participants and staff at the venues in line with the Tasmanian Public Health COVID-19 requirements for the provision of food and drink. Anyone entering areas of venues where alcohol is served and patrons are not exclusively seated (such as bar areas) must be fully vaccinated.
- Disposable gloves and masks will be provided by Tasracing to Workers, Racing Officials and Racing Industry Participants attending the race meeting or trial session to wear if required.
- A facemask must be worn at all times by anyone aged 12 years and over whilst at any venue (unless a lawful exemption applies).
- Doors will be left permanently open where possible to allow throughway access without touching surfaces.
- Hand sanitiser will be supplied at the entry to the venue, toilets, and at other various points throughout the venue.
- All attendees are required to wash/sanitise their hands thoroughly throughout the race meeting or trial session. In particular, trainers are encouraged to sanitise their hands on every occasion prior and/or following placing their greyhound into the cage on the weighing scales.
- All workstations will be wiped clean before use and after a race meeting or trial session.

6.3 Venue Entry Protocols

You are not permitted to attend a race meeting or trial session at the venue if you are subject to any of the conditions in section 6.1.

Race Meetings:

Security/Track Marshalls will monitor the total number of persons present in racing operational areas to ensure maximum gathering limits as per section 6.2 are not exceeded.

Race meetings will be conducted with increased COVID Safe Segregated Operating Procedures, including the segregation of industry from the general public by only allowing licensed participants and owners access to operational race day areas.

Members of the public will still be able to attend race meetings, but only in accordance with club/catering COVID requirements and limits and will not have access to racing operational areas.

Only licensed persons essential to the conduct of the race meeting will be permitted to enter operational areas. This restriction will require any licensed person in these areas to be directly involved in that race meeting. Any person found to be present in these areas in breach of this direction will be requested to leave the venue entirely.

Trials

Club Officials will be present at trial sessions to ensure those in attendance are adhering to the Tasracing Greyhound COVID-19 Safe Standard Operating Procedure.

Only licensed persons essential to the conduct of the trials will be permitted entry. This restriction will require any require any licensed persons to be directly involved in the trial session.

Tasracing Venues

Any persons 16 years of age or older entering a venue, regardless of the period of time at the venue, must check in via the Check in TAS app.

6.4 Physical Distancing

In accordance with section 4.2 (physical distancing), you are required to comply with the strict physical distancing requirements while attending a race meeting, trial or training session.

6.5 Duties of Security/Track Marshalls (Raceday) and Club Officials (Trials)

Security/Track Marshalls (Raceday):

- Shall be present at every race meeting and will monitor all racing operational areas of the venue as required.
- Will be responsible for ensuring all documented protocols in the Procedure are adhered to by all persons attending the race meeting.
- May demand identification information and are authorised to report breaches to the Stewards and/or Tasmania Police. They will be observing all persons attending the race meeting to ensure compliance with this Procedure.
- Will pay particular attention to physical distancing. All personnel must follow the direction of Security/Track Marshalls in relation to physical distancing.
- Security/Track Marshalls have the authority to direct a person to leave the venue if this Procedure is not adhered to.

Club Officials (Trials):

- Will be responsible for ensuring all documented protocols in the Procedure are adhered to by all persons attending the trial session.
- May demand identification information and are authorised to report breaches to the Stewards and/or Tasmania Police. They will be observing all persons attending the trial session to ensure compliance with this Procedure.
- Will pay particular attention to physical distancing. All personnel must follow the direction of a club official in relation to physical distancing.
- Club officials have the authority to direct a person to leave the venue if this Procedure is not adhered to.

6.6 Venue Signage and Physical Distance Markings

Instructions and reminders of these protocols, along with the Check in TAS App QR codes will be displayed at entrances and throughout Tasracing venues. Floor and ground markings will be installed (where possible) to assist all personnel to adhere to physical distancing protocols.

Security/Track Marshalls and Club Officials will monitor adherence to floor or ground markings.

6.7 Non – Compliance

Any Racing Industry Participant found to have breached a COVID-19 principle and/or protocol as contained within this Procedure will be reported to the Stewards for inquiry and will be subject to any penalty the Stewards deem appropriate. They will be refused entry to or escorted from the venue immediately.

Non-compliance of this Procedure shall be considered an offence under Greyhounds Australasia Rule, GAR 86(p) “A person (including an official) shall be guilty of an offence if the person disobeys or fails to comply with the lawful order of a Steward or other person or body having official duties in relation to greyhound racing.”

For Tasracing Workers, incidents of non-compliance with this Procedure are considered to be serious and may result in disciplinary outcomes or termination of the contract.

Any members of the general public found to have breached a COVID-19 principle and/or protocol as contained within this Procedure or otherwise will be reported to Tasmania Police and will be refused entry to or escorted from the venue immediately.

7. GREYHOUND RACE MEETING OR TRIAL SESSION – SUMMARY OF OPERATIONS

7.1 Entry To Kennel Area for Racing Industry Participants only

The General Public is prohibited from entering operational areas and sections 7.1, 7.2 and 7.3 do not apply to the General Public.

Entry to the kennel area will be restricted to numbers as detailed in accordance with section 6.2 (gathering limits)

Racing Industry Participants are encouraged to utilise the hand sanitiser provided on both entry and exit to the kennels.

Entry and exit points to kennels to use different doors where applicable to enable social distancing.

Trainers are encouraged to leave all bedding outside prior to kennels opening and being only brought in for each greyhound when kenneling.

All kenneling and pre-race procedures will be conducted with the requirement to ensure venue limits set out in section 6.2 (gathering Limits) and social distancing is maintained.

Between races, kennel staff will monitor numbers to ensure the maximum number of persons is not exceeded.

7.2 Starting

Boxing of greyhounds will be done in 2 lines as per the rules. Racing Industry Participants are required to ensure a minimum distance of at least 1.5 metres between themselves.

Racing Industry Participants are encouraged to utilise the hand sanitiser provided when leaving the starting area.

7.3 Catching Pen

Racing Industry Participants should not congregate in the catching pen area, with only those involved in the catching of greyhounds and officials being present in the area.

Catchers are required to maintain 1.5 metres distancing prior to and during a race meeting or trial session and to maintain 1.5 metres distancing as much as practical when catching their greyhound.

Once all greyhounds have been caught, the catchers shall then leave the catching pen while maintaining a minimum of 1.5 metres distancing. No persons are to leave the catching pen until all greyhounds have been restrained.

Racing Industry Participants are encouraged to utilise the hand sanitiser provided when leaving the catching pen area.
