From the
**CEO's
DESK**

Welcome to the Ladbrokes Summer of Tasmanian Racing edition of the Harness Racing Calendar.

January sees the commencement of the Country Cups. It will be great to see racing back at St Mary's and Scottsdale this year after having to either abandon or postpone due to COVID 19 in early 2021.

We remain strongly focused on growing revenue in order to underpin sustainable investment in infrastructure, stakes and participant attraction for the code. I'm pleased that this focus has helped us again deliver an increase in stakes for the harness code, and I would like to thank the Harness Industry Forum (HIF) for their contribution to the structure of the new stakes increases announced by Tasracing in December.

We were all extremely pleased with the news that Ladbrokes has decided to take up their extension option on their Naming Rights Partnership with the Tasmanian racing industry. It is also fantastic that Ladbrokes have opted to increase their

investment into Harness racing clubs at the same time. This news, delivered in December – should give us all confidence that there is a bright, long future for Harness racing in Tasmania.

Tasracing is very pleased to again be running a tri-code Tipping and Customer Rewards Program as part of the Ladbrokes Tasmanian Summer of Racing. Make sure you tell your friends and family about it so we can continue to entertain and attract as many new people to the code as possible! Full information can be found at www.summerofracing.com.au.

On behalf of the Tasracing team I wish all Tasmanian harness participants a wonderful, safe, Ladbrokes Tasmanian Summer of Racing.

Yours in racing.

FOR STELLA SEASON MAX DELIGHT

Article by Duncan Dornauf |

Tasmanian-owned pacer Max Delight has had a Stella 2021 season, seeing the gelded son of Bettors Delight in third position on the Grand Circuit Point Score, with one leg remaining in the seven-race series, the Auckland Cup on New Year's Eve at Alexandra Park.

While Max Delight, like most Australian trained pacers, will miss the last race of the series and will concentrate on the upcoming Melbourne and Sydney features after a stella 2021.

The jewel in the crown for the season was back in October when scoring in the \$300,000 Group 1 Victoria Cup at Bendigo.

Master reinsman Chris Alford drove an aggressive race early on the \$17 chance before taking cover behind the \$3.30 favourite Amazing Dream near the 1800m.

Alford started to work one-off around the home turn before quickly taking the pacer back to the sprint lane where the Bettors Delight entire sprinted home best to score by 3.2 metres over Triple Eight (\$4.50) and King Of Swing (\$3.30 eq fav) in a mile rate of 1m 53.2s for the 2150m event.

"I was really wrapped, I honestly didn't think he would do it, but he proved us wrong," said Maxfield about the win.

Due to COVID travel restrictions at the time, Maxfield was unable to go attend the meeting. Instead, he watched the race at home on tv with his wife, with his son Dean coming straight over after the race to join in the celebrations.

It had been worrying for those involved with Max Delight, with the pacer being scratched from a Group 2 lead up race the week prior with a hoof abscess, with trainer David Aiken being able to get the pacer through the issues and to peak in the Group 1 Grand Circuit event.

"David (Aiken) is a one in a million trainer, and he has done a good job with him, and Puppet (Chris Alford) is a one in a million too. He just knows what to do with them," Maxfield said.

Maxfield purchased Max Delight at the 2017 Australian Pacing Gold Sydney Yearling Sale.

"Without a doubt, he is the best one I have ever had, and he would want to be really as he is the dearest one I have brought," Maxfield said.

His record this season at the time of writing includes nine wins also including Group 3 Pure Steel, and seven placings, including two heats of the Inter Dominion plus the Group 1 Riverina Championship, Group 2 Melton Plate, Group 3 Vic Frost with his season prize-money earning just over \$347,000.

Lily Blundstone on Harvey

Lily is striving towards helping educate Harvey to be an Off the Track Champion Eventer which is something many Standardbreds are succeeding at in their lives off the track.

FROM THE LEMONDROP KID TO HARVEY

Harvey, who raced as *The Lemondrop Kid*, in Tasmania, Victoria and South Australia has started in over 140 races. His home in Tasmania during his racing career was with prominent Tasmanian trainer Ben Yole where he fast became a favourite with the stables staff due to his relaxed and friendly nature. Lily Blundstone works in Yole's stable which is where she first met Harvey. Lily recalls her time with the horse saying 'Harvey was always there, being so big at 16.2 hands you couldn't miss him. Wherever you went you saw him or heard him calling out to say hello. He was such a friendly horse to everyone and you couldn't help but like him.'

Lily knew before Ben even thought about retiring Harvey that he would make a great Off the Track horse for her. So, when it was decided that he would retire formally in November 2021 Lily knew he was coming to join her Off the Track family. Harvey adjusted to his new home quickly after being reintroduced to some old stable mates; Tally Operator (Tully), Lake Erye (Blake) and War Chest (War) all formerly race horses from Yole's Stables.

While Harvey enjoys his time with his equine friends he has a special kind of love for his people, often calling out for Lily and her family

when he spots them across the paddocks and shadowing them when they come to say hello. He has managed to work his way into the heart of the whole family with ease.

Since being rehomed Harvey has taken on Off the Track Subsidised Lesson and he has thrived. 'Harvey has shown natural talent in dressage and ground work.' Lily noted. Currently Harvey is working on his balance and equalising his muscles during his Subsidised Lessons with Off the Track Approved Coach, Kristin Pitt. Kristin has found Harvey to be extremely trainable and said 'He took to training like a duck to water. We work on relaxing and stretching in the beginning of all lessons and it can be hard for ex-racers to do this as they simply aren't used to it but Harvey picked it up quickly.'

Harvey showcases an intelligence and willingness to learn new things. He has proven to cope with changes, challenges and a whole new lifestyle with ease. Lily is striving towards helping educate Harvey to be an Off the Track Champion Eventer which is something many Standardbreds are succeeding at in their lives off the track.

Manual Field Selection

Races advertised as "Manual Field Selection" will be selected by the Handicapping Panel. Horses deemed by the Handicapping Panel to be the best credentialled based on criteria including form over the last 10 starts, beaten margins, mile rates, class of opposition, class of races, positions in running, barrier draws and interference received will be declared as starters in the field.

Manual Field Selection applies to all races with prize money of \$15,000 or more and heats of races where the final is \$15,000 or more, unless otherwise specified in the race conditions. A horse that has not previously had a race start has no exposed form. Therefore, horses that have had a race start will be included first under the Manual Field Selection Policy. Trial form will not be considered. If balloting is required with multiple unraced horses a random ballot will be conducted to determine which of the unraced horses gain a start.

MANUAL FIELD SELECTION

Races advertised as "Manual Field Selection" will be selected by the Handicapping Panel. Horses deemed by the Handicapping Panel to be the best credentialled based on criteria including form over the last 10 starts, beaten margins, mile rates, class of opposition, class of races, positions in running, barrier draws and interference received will be declared as starters in the field.

Manual Field Selection applies to all races with prize money of \$15,000 or more and heats of races where the final is \$15,000 or more, unless otherwise specified in the race conditions. A horse that has not previously had a race start has no exposed form. Therefore, horses that have had a race start will be included first under the Manual Field Selection Policy. Trial form will not be considered. If balloting is required with multiple unraced horses a random ballot will be conducted to determine which of the unraced horses gain a start.

HEATS & FINALS

Please refer to the GENERAL CONDITIONS FOR RACES CONDUCTED AS HEATS AND FINAL/CONSOLATION in the Office of Racing Integrity Harness Handicapping Schedule & Procedures: HARNESS Handicapping SCHEDULE & PROCEDURES (dpiwwe.tas.gov.au)

RACE PROGRAMMES

JANUARY - APRIL 2022

**YOUR BEST CHANCE TO GAIN A START !**

Trainers can and should accept for more than one race at a meeting. Trainers are strongly encouraged to nominate for multiple races that their horse is eligible for.

If you have a preference, these must be clearly advised either on the Fax Acceptance Form or on Harnessweb by a brief message in 'Nomination Comments' i.e (01: 1st Pref, 02: 2nd Pref). Please keep preferences very brief (less than 25 characters).

If preferences are not advised by the closing time for acceptances ORI will place the horse at their discretion. A horse with a preference (2nd) may be moved to that race rather than left as the emergency in its first preference.

While preferences will be considered, ORI may place a horse at their discretion to maximise race numbers or field sizes.

If you are unsure if your horse is eligible for multiple races, please contact ORI (03) 6777 1900.

PROGRAMME CONDITIONS**Races Divided by Points**

When races are divided by points (high and lower points divisions), the Unfulfilled Engagements and Extended Races policies do not apply if the total number of acceptors is equal to, or less than, the combined field limits.

Claimers in Open Class Races

In order to provide claimers with a continuity of opportunities to race, they will be permitted to race where "Also Eligible" conditions stipulate.

Claimer eligibility will be determined by aligning the claiming price with the following ratings points:

Claiming Price	Rating Points Transition	Claiming Price	Rating Points Transition
\$1000	50	\$6000	75
\$2000	55	\$7000	80
\$3000	60	\$8000	85
\$4000	65	\$9000+	90
\$5000	70		

Concessions will operate as per the Mares Concession and Novice Driver Concessions as approved from time to time.

Claimers nominating for races under the "Also Eligible" clause shall be deemed eligible for the race if they meet the also eligible criteria and shall not be deemed to be nominating in advance of their rating. Claimers with a transition rating less than the front of the race shall be deemed to be a rating of the front of the race.

If ballots are necessary, those horses eligible for the race by way of their claiming price shall be first eliminated.

In races where the draw is (or is in part) a PBD/NR, horses eligible by way of their claiming price shall be drawn at the end of each rating. For example, horses with a claiming price up to \$5000 will be eligible for a 65 to 70 rating race if the conditions permit and horses with a claiming price up to \$4000 will be drawn after the 65 rating horses, but before the 66 rating horses and the horses with a claiming price of \$5000 will be drawn after the 70 rating horses.
