## From the CEO's DESK

Welcome to the May – July 2022 edition of the Tasracing Harness Calendar.

There was much to celebrate and recognise at the recent Tasmanian Harness Racing Awards and Hall of Fame Dinner and I congratulate our nominees and winners. Please take a look through pages 8-21 of the Calendar for details of all winners and plenty of glamorous photos.

Particular mention must be made of THE SHALLOWS notching up 4 wins, a 50% place strike rate and a handsome stakes tally of \$72,963 to earn our Horse of the Year accolade.

It's a great indication of the industry's future to see our young male and female participants achieving success. A special congratulations to Amber Spring for taking out the mini-trots prize.

Dared to Dream was the theme of the night and that certainly bore relevance given the challenges faced by our industry in recent times – but everyone came through and we have, together, delivered another outstanding season.

We now look forward to no less than fifteen major races over this Calendar alone and more terrific racing.

I hope to see you all at the track soon.

Yours in racing.

## TAKES GOTTA GOOD REASON GROUP 1 TASMANIA CUP

Article by Duncan Dornauf |

Carrick trainer-driver Mark Yole broke through for his first Group 1 win when Gotta Good Reason scored in the Group 1 Ladbrokes Tasmania Cup in Hobart on Saturday night.

The gelded son of For A Reason stepped cleanly from wide on the front line to take up the lead, with Yole electing to bowl along in front with his rivals unable to run him down to give Mark his greatest moment in harness racing.

"I never thought that would happen," Yole said after his first Group 1.

"He is just a different horse in front, I knew that, and I just had to keep him running along without taxing him too much, and gee, he just has a heart as big as himself," explained the winning trainer-driver.

Gotta Good Reason was purchased by Mark's wife Danica in late 2019.

"We brought him off Luke McCarthy for \$12,000 and he came down and won first up for us.

"He was only a 70 rater and has exceeded expectations," Mark said.

Backmarker Ryley Major finished 2.4m away second while the outsider of the field Puntamo Stride ran third.

While the Victorian's missed out on a top-four finish in the Tasmania Cup, they made a clean sweep of the two Group 3 three-year-old features.

Bettors Delight gelding Hiranya gave 23-year-old reinswoman Abbey Turnbull her biggest win in the sport when leading throughout to score in the Tasmanian Derby, with the pacer prepared by her father Craig.

The \$1.75 favourite was able to take up the lead and held off a late challenge by District Attorney by a half-head.

"He will go out for a bit of a rest now, but Dad does have a few nice races in site for him," said Abbey after the win.

Relentless Me (\$1.24 Fav) led home a training quinella for Victorian trainer Brittany O'Brien in the Tasmanian Oaks.

Reinsman Alex Ashwood took the pacer straight to the lead and was never in doubt to defeat stablemate Chedalayo by 12.4m.

"It was pretty much a walk in the park, she got a pretty easy lead time, and we made the most of it with a quick last quarter," Ashwood said post-race.

The state's premier mares race, the Group 3 George Johnson, was taken out by Lavaughn, who was one of three winners on the night for trainer-driver Conor Crook.

# TASMANIAN BRED 'LONGFELLOW' TAKES OUT \$100,000 EASTER CUP

Article by Duncan Dornauf |

History was made at the Launceston Pacing Club's biggest race night of the year, when Victorian trainer Emma Stewart and reinsman Mark Pitt wrote their names into a piece of Australian harness racing history.

The duo combined to win nine of the 10 races held, and according to Harness Racing Australia records, it is the most number of wins at a single meeting for a trainer and driver.

"To drive nine on a card like tonight is just a huge achievement," said Pitt post-meeting.

"The credit has to go to Emma, her partner Clayton (Tonkin) and all their staff, without them I don't drive nine winners, but you still have to win on them but without them having them cherry ripe, it makes it my job easier," added the driver.

---

**The highlight of the night was the Group 1 Ladbrokes \$100,000 Easter Cup, which was taken out by TASMANIAN-BRED PACER LONGFELLOW, who held off Like A Wildfire, also prepared by Stewart.**

**Stepping cleanly from outside of the front-row, Longfellow began well to race outside the leader before pushing on to find the lead at the 2100m point.**

**Pitt called upon the \$1.80 favourite turning for home, with the Bettors Delight gelding digging deep late, to become the state's first bred Group 1 winner since Ignatius in 2019.**

**"The main thing was to get him away safe and he got away like a rocket tonight," said Pitt about the win.**

**"I knew he was pretty strong and he fought it out right to the line," said Pitt post-race.**

**"It's a big thrill for me to win a Group 1, it means a lot to me," he added.**

---

The record breaking night started in the opening race when A Rocknroll Dance gelding Go Dancing scored a 20m victory in a mile rate of 1m 55.7s for the 2200m trip, breaking the track record that was held by Scooterwillrev of 1m 56.6 that was set in July 2018.

Other winners for Stewart and Pitt included: Rock Artist, Runaway Celebrity, Soho Historia, Firerockfireroll, Von Art, Beach Life and Captain Rival.

Pitt now sits in 10th spot on the state drivers premiership, while Stewart is now 6th on the state trainers title, after only contesting two meetings this season in the Apple Isle.

**YOUR BEST CHANCE TO GAIN A START !**

Trainers can and should accept for more than one race at a meeting. Trainers are strongly encouraged to nominate for multiple races that their horse is eligible for.

If you have a preference, these must be clearly advised either on the Fax Acceptance Form or on Harnessweb by a brief message in 'Nomination Comments' i.e (01: 1st Pref, 02: 2nd Pref). Please keep preferences very brief (less than 25 characters).

If preferences are not advised by the closing time for acceptances ORI will place the horse at their discretion. A horse with a preference (2nd) may be moved to that race rather than left as the emergency in its first preference.

While preferences will be considered, ORI may place a horse at their discretion to maximise race numbers or field sizes.

If you are unsure if your horse is eligible for multiple races, please contact ORI (03) 6777 1900.

## MANUAL FIELD SELECTION

Races advertised as "Manual Field Selection" will be selected by the Handicapping Panel. Horses deemed by the Handicapping Panel to be the best credentialled based on criteria including form over the last 10 starts, beaten margins, mile rates, class of opposition, class of races, positions in running, barrier draws and interference received will be declared as starters in the field.

Manual Field Selection applies to all races with prize money of \$15,000 or more and heats of races where the final is \$15,000 or more, unless otherwise specified in the race conditions. A horse that has not previously had a race start has no exposed form. Therefore, horses that have had a race start will be included first under the Manual Field Selection Policy. Trial form will not be considered. If balloting is required with multiple unraced horses a random ballot will be conducted to determine which of the unraced horses gain a start.

# 2022 TEAM TEAL

## TOGETHER WITH HARNESS RACING TEAM TEAL IS HELPING WOMEN WITH OVARIAN CANCER

Across six weeks in February and March each year, all reinswomen race in teal pants to raise awareness and much-needed funds for ovarian cancer research when they secure first across the finish line.

Tasracing donated \$200 for each Tasmanian female driver win across the promotional period and although we only have a small number of female drivers, they amassed 11 wins totally \$2,200.

The overall tally below also includes \$66,000 donated from TAB which matches the states donations for drivers wins in all states excluding WA and NZ.

## PROGRAMME CONDITIONS

**Races Divided by Points**

When races are divided by points (high and lower points divisions), the Unfulfilled Engagements and Extended Races policies do not apply if the total number of acceptors is equal to, or less than, the combined field limits.

**Claimers in Open Class Races**

In order to provide claimers with a continuity of opportunities to race, they will be permitted to race where "Also Eligible" conditions stipulate.

**Claimer eligibility will be determined by aligning the claiming price with the following ratings points:**

Claiming Price	Rating Points Transition	Claiming Price	Rating Points Transition
\$1000	50	\$6000	75
\$2000	55	\$7000	80
\$3000	60	\$8000	85
\$4000	65	\$9000+	90
\$5000	70		

Concessions will operate as per the Mares Concession and Novice Driver Concessions as approved from time to time.

Claimers nominating for races under the "Also Eligible" clause shall be deemed eligible for the race if they meet the also eligible criteria and shall not be deemed to be nominating in advance of their rating. Claimers with a transition rating less than the front of the race shall be deemed to be a rating of the front of the race.

If ballots are necessary, those horses eligible for the race by way of their claiming price shall be first eliminated.

In races where the draw is (or is in part) a PBD/NR, horses eligible by way of their claiming price shall be drawn at the end of each rating. For example, horses with a claiming price up to \$5000 will be eligible for a 65 to 70 rating race if the conditions permit and horses with a claiming price up to \$4000 will be drawn after the 65 rating horses, but before the 66 rating horses and the horses with a claiming price of \$5000 will be drawn after the 70 rating horses.

**Waiver**

Race meeting details in this publication are published on behalf of Tasracing and the Office of Racing Integrity and reserve the right from time to time to alter the date of running, to make any alteration or modification to these races, to alter the sequence of races, to cancel the meeting or any portion thereof, and to alter the time for taking entries, declaration of handicaps or acceptances, and also the right to reject, at any time, any entry submitted to or for them.

All races programmed will be run according to the Tasmanian Rules of Racing and under the Australian Handicapping Rules and the Handicapping Policies adopted by the Office of Racing Integrity unless specified in the conditions of the race.

Race programming details advertised in the Harness Calendar are correct at the time of publishing. Please refer to Harness.org for updated programmes.
