With the closure of DAPS the meetings generally scheduled at the DHRC have been transferred. Whilst it was the intention to retain as many of these meetings to the North / North West, it was not always possible due to the scheduling of not only other Harness meetings but Thoroughbreds and Greyhound meetings

DHRC's 13 meetings have been reallocated to the following:

- LPC – 8 meetings
- BHRC – 3 meetings
- TTC – 2 meetings

Eligible meetings available for North West participants to receive a subsidy payment are listed below. For information on the Policy
