TASMANIAN GREYHOUND RACING CALENDAR

# Greyhound Racing matters to Tasmanians.

## Love of the dogs

Tasmanian greyhound racing participants **love their dogs**. They are bred, raised, raced and retired as a member of the family.

The thousands of Tasmanians directly and indirectly involved in greyhound racing are also farmers, teachers, nurses, parents, volunteers, friends and family. They are bonded by their love, passion and care for these beautiful animals who love the couch and curling up in front of the fire as much as they love to run.

Tasracing is committed to promoting the highest possible standards of health, safety and happiness of greyhounds.

## Community building

Greyhound racing in Tasmania forms a fabric at the heart of almost every regional area of the state. Multiple generations of families have made greyhounds and racing part of their lives.

Racing clubs, racing participants and Tasracing support over **40 charitable organisations** each year through financial and in kind contributions.

## Contribution to Tasmania's economy

Greyhound racing **returns \$53.2m each year** to the broader Tasmanian economy, benefiting hundreds of small businesses, families, suppliers and regional communities.

**30% of this \$53.2m** economic benefit is delivered to Tasmania's regional areas.

## Funding

In 2020/21 greyhound racing received \$5.2m in Code Funding along with other funding for welfare and track maintenance.

This funding was used to deliver approximately \$9m of commercial revenue for the same period and generated **\$53.2m in economic benefit**.

Racing matters to Tasmanians. More than a sport, more than an industry.

## From the CEO's DESK

It gives me great pleasure to present this edition of the Tasmanian Greyhound Calendar in my capacity as Acting Chief Executive Officer.

It also makes me, and everyone at Tasracing, proud to be publishing the facts behind greyhound racing in Tasracing's new 'Greyhound Matters to Tasmanians' campaign.

The campaign started in earnest on the weekend of 16 July 2022, in the form of full page colour advertisements appearing in Tasmanian Country, The Mercury, The Advocate and The Examiner. If you missed the advertisement, we have published it on the page opposite for your information.

I want to make it very clear to our incredibly hard working, passionate greyhound industry participants, that Tasracing will be taking a proactive approach to communicating why greyhound racing matters. We believe that this proactive approach will reduce the traction our detractors might otherwise be able to achieve.

As we all know – our dogs are the stars of the show. They love what they do and receive the best care available from whelping to retirement.

In closing, I'd like to express my thanks to each and every one of you engaged in Tasmania's greyhound code. The caring, the training, the travel is not un-noticed.

My team at Tasracing are committed to working alongside you to achieve our shared vision of a vibrant, sustainable industry valued by the entire community – we are better together.

See you at the track.

Yours in greyhound racing.

# FOSTER OR ADOPT A GREYHOUND TODAY.

Greyhounds are a loving, gentle natured breed, and make great family pets. Contrary to popular belief, they are the ultimate couch potatoes, and require little space and exercise.

If you are ready to discover more about why greyhounds make great pets, and learn how you can foster or adopt a greyhound, contact one of our friendly team members at GAP Tasmania today.

The first two placegetters in each Qualifying Heat shall qualify for the Semi Finals (4) and then the first two placegetters in each Semi Final shall qualify for the Final.

Trainers may request to be in the first race of each group of four heats for the Breeders Classic series. The second condition of the request is that, if granted, the greyhound shall not be permitted to participate in a stir-up in either the semi-final or the final of the series.

Every effort will be made to accommodate the requests approved to be in the first race of each group of heats, however should there be more approved requests than the number of greyhounds in the fields for the first race of each group of heats, then a greyhound may be placed in the second race of a group and then in the third race in a group until all requests are catered for. In this case a random draw shall be conducted from all the requests to determine which greyhounds are placed in the first heats and then the second heats and then the third heats (as required).

A greyhound must contest and finish in a race in the series or in the case of an abandoned or No Race have been entitled to contest the race at the time the race was abandoned
