From the CEO's DESK

Welcome to the August - November 2022 edition of the Tasracing Harness Calendar.

It is a privilege to present this calendar to you as acting CEO.

I have already had the pleasure of meeting many of you in my role as Chief Operating Officer. What has struck me at every turn is the level of passion, commitment and determination of the Tasmanian harness racing community.

Tasracing is committed to communicating the importance of the harness racing industry to all Tasmanians. Many of you would have seen the It's Why We Race campaign on TV and in newspapers, the most recent incarnation featuring Mark Yole. The feedback we have received from the general public on this communication has been overwhelmingly positive. Rest assured we will continue to produce more advertisements showcasing Tasmanian harness participants telling their story about what the code means to them, their families and their communities.

Tasracing is committed to promoting harness racing on the national stage. We will continue to invest in making the media coverage of Tasmanian harness racing on the national stage stand out. This includes continuing to include the code in the Ladbrokes Tasmanian Summer

of Racing Carnival and associated marketing campaign. The exposure this can deliver the code is huge across digital and traditional media.

We look forward to no less than 15 feature events over this Calendar alone with great harness racing a sure thing!

I hope to see you all at the track soon.

Yours in racing.

BRONTE MILLER TAKES OUT CAVALOR EQUICARE CLAIMING NOVICE DRIVERS SERIES

Editorial by: Duncan Dornauf

Bronte Miller added another Tasmanian junior drivers series to her resume after securing the Cavalor Equicare Claiming Novice Drivers Series in Launceston.

Miller scored in heat three of the four-race series to secure maximum points on the Brent Parish-prepared Boston Busker.

The five-year-old gelding settled one-out and three-back before weaving through the field to grab Jack James on the line, with a short-half-head separating the pair.

“He settled quite nicely in the run. I drove for luck through the middle when they made their runs down the back and was lucky to get out in plenty of time. It was a good win in the end,” said Miller post-race.

Competing drivers in the 2022 Cavalor Equicare Novice Drivers Series along with sponsor rep Gary Richards.

Miller looked set to make a winning start of the series when driving Ideal Karalta in the opening heat. The pacer looked like he had a winning break on his rivals before peaking on the run late to end up in second spot behind the Mitch Ford driven Ashleys Blue Chip.

“I may have gone for him a bit too early knowing that he can do that,” Miller said about Ideal Karalta.

Other heats were won by Pink Ponder for Liam Older and Dapper who was driven by Jacob Duggan.

Miller, 17, took out the Youngbloods Challenge in December last year and has continued on with her good form in the 2021 season by driving 20 winners, which sees her at the top of the junior drivers' title this season.

“I’m very grateful for the trophy donated by Cavalor Equicare, as I am for the owners and trainers because these series don’t happen without their support,” said Miller.

FINAL POINT SCORE OF THE CAVALOR EQUICARE CLAIMING NOVICE DRIVERS SERIES:

- 40 Bronte Miller
- 36 Jacob Duggan
- 32 Mitch Ford
- 28 Hannah Van Dongen
- 26 Kayleb Williams
- 25 Liam Older
- 24 Malcom Jones
- 18 Ryan Backhouse
- 17 Charlie Castles
- 15 Jordan Chibnall

YOUR BEST CHANCE TO GAIN A START !

Trainers can and should accept for more than one race at a meeting. Trainers are strongly encouraged to nominate for multiple races that their horse is eligible for.

If you have a preference, these must be clearly advised either on the FaxAcceptance Form or on Harnessweb by a brief message in 'Nomination Comments' i.e (01: 1st Pref, 02: 2nd Pref). Please keep preferences very brief (less than 25 characters).

If preferences are not advised by the closing time for acceptances ORI will place the horse at their discretion. A horse with a preference (2nd) may be moved to that race rather than left as the emergency in its first preference.

While preferences will be considered, ORI may place a horse at their discretion to maximise race numbers or field sizes.

If you are unsure if your horse is eligible for multiple races, please contact ORI (03) 6777 1900.

Races advertised as "Manual Field Selection" will be selected by the Handicapping Panel. Horses deemed by the Handicapping Panel to be the best credentialled based on criteria including form over the last 10 starts, beaten margins, mile rates, class of opposition, class of races, positions in running, barrier draws and interference received will be declared as starters in the field.

Manual Field Selection applies to all races with prize money of \$15,000 or more and heats of races where the final is \$15,000 or more, unless otherwise specified in the race conditions. A horse that has not previously had a race start has no exposed form. Therefore, horses that have had a race start will be included first under the Manual Field Selection Policy. Trial form will not be considered. If balloting is required with multiple unraced horses a random ballot will be conducted to determine which of the unraced horses gain a start.

WORK HEALTH & SAFETY

Tasracing assigns the highest priority to its responsibilities in relation to the safety of all racing participants.

Tasracing is committed to maintaining the highest possible standards in relation to the safety of the racing venues and equipment provided to racing participants.

All racing participants are kindly asked to always remember their personal responsibilities in relation to their own safety, those in their care, and to the general public who attend racing events. Racing participants must take reasonable care for their own health and safety, take reasonable care that their acts or omissions do not adversely affect the health and safety of other persons, and comply with any reasonable instruction of Tasracing as the Person Conducting the Business or Undertaking (PCBU).

Safety notice to racing participants and the public

All persons should be aware that entry to Tasracing venues is at the individual's own risk and is governed by Tasracing's Conditions of Entry, as well as the Tasmanian Thoroughbred Track Rules (at applicable venues). Tasracing accepts no responsibility for injury or loss to any person entering Tasracing venues. Any unlicensed person entering a Restricted Area such as the Day Stalls or Barriers, do so at their own risk. There are signs at all Tasmanian racing venues clearly identifying these Restricted Areas.

Strictly no access for children within restricted areas

Tasracing advises all racing participants and members of the public that under no circumstances are children allowed access to Restricted Areas at Tasracing venues. Clear signage at all racing venues identifies the location of Restricted Areas, and states that no children are permitted access. Under the Work Health and Safety Act 2012 (Tas), Tasracing as the PCBU has a duty to ensure, so far as is reasonably practicable, that the health and safety of persons is not put at risk from work carried out as part of the conduct of the business or undertaking at its venues. Restricting access for children within Restricted Areas assists with protecting their safety, and the safety of those using these areas.
