KING ISLAND HARNESS PROGRAMM 2022/23

The King Island Harness Program has been drafted for the upcoming 2022/23 season to give the best opportunity for all horses which have been advised will be competing on the Island.

As in previous years Tasracing/ORI will have the discretion to move horses from one race to another to ensure even field sizes. This will be done considering LTW's and FSP's.

Trainers should place comments on their nominations if their preference is not to have their horse transferred or are wanting to ensure the separation of specific horses.

It should be noted that whilst the program has been done for all 7 meetings there is still the flexibility to amend these if deemed appropriate.

Feedback or concerns regarding this should be directed through the Club president to pass on to Tasracing.
