 - the Purchaser has removed his Lot from the Sale venue within twenty-four (24) hours of the Purchaser receiving delivery of the Lot. The Purchaser will ensure that the Auctioneer has checked and confirmed the identity of the Lot prior to its removal.

10. INSURANCE

- 10.1 Where the Auctioneer agrees to deliver any Lot to the Purchaser prior to the Auctioneer receiving from the Purchaser the full purchase price for the Lot, or on the basis of any credit or terms agreement made between Tasracing and the Purchaser or the Vendor and the Purchaser whether before or after the Sale, the Purchaser will effect and maintain until such time as Tasracing has received all monies payable in respect of the Lot or repayable by the Purchaser pursuant to any credit agreement entered into in respect of the purchase of the Lot, at the Purchaser's cost and expense, insurance satisfactory to Tasracing in respect of the damage, injury or death of the Lot from any cause whatsoever and will ensure that the policy of insurance bears an endorsement as may, in the opinion of Tasracing, be necessary to transfer to Tasracing and/or the Vendor all the Purchaser's interest under such insurance absolutely.
- 10.2 In the event that the Purchaser fails to produce evidence to the Auctioneer within one hour of purchase that he has met his insurance obligations pursuant to Clause 10.1, the Purchaser authorises the Auctioneer to enter into such a policy of insurance on the Purchaser's behalf and the Purchaser will indemnify the Auctioneer in respect of and pay to the Auctioneer on demand all costs incurred by the Auctioneer in respect of the policy of insurance. Payment of Lots will not be regarded as made until such charges have been paid.
- 10.3 Nothing in Clause 10.2 seeks to impose an obligation on the Auctioneer to obtain a policy of insurance on the Purchaser's behalf. Any decision to obtain such a policy of insurance will be at the discretion of the Auctioneer, and the Purchaser acknowledges that the Auctioneer has no liability

whatsoever in the event that the Auctioneer does not obtain a policy of insurance in respect to a particular Lot.

11. TITLE OF LOTS

- 11.1 Notwithstanding any express or implied provisions hereof to the contrary and notwithstanding that delivery of any Lot may have been made or possession obtained, title in a Lot will not pass to the Purchaser until all monies payable by the Purchaser to the Auctioneer pursuant to these Conditions of Sale in respect of the Lot or any other Lots purchased by the Purchaser will have been received by the Auctioneer and all bills of exchange tendered in payment of such monies have been honoured.
- 11.2 Where delivery of any Lot is made to the Purchaser prior to title in the Lot passing to the Purchaser pursuant to these Conditions of Sale, the Purchaser will hold the Lot as bail only and will not deal with the Lot in any manner inconsistent with the reasonable directions which may be given from time to time by the Vendor and/or the Auctioneer.
- 11.3 Until title of the horse has passed to the Purchaser, the Purchaser will not exercise or purport to exercise any rights of ownership or possession including, without limitation, registering or racing the horse.

12. DEFAULT BY PURCHASER

- 12.1 In the event that the Purchaser breaches any of these conditions and fails to remedy such breach within reasonable time after receiving written notice from the Vendor or Auctioneer requiring such breach to be remedied, or all monies payable by the Purchaser to the Auctioneer pursuant to these Conditions have not have been paid and liquidated by the due date for payment thereof, or where the Auctioneer has, in its discretion, agreed to an extension of the date for payment (in which event time will be of the essence in respect of such extended date) and the same will not have been paid and liquidated by such extended date, the Auctioneer or the Vendor may at any time without prejudice to any other rights or remedies which the Auctioneer or Vendor may have at law or in equity and without notice to the Purchaser:-
- terminate the Sale of the Lot; and/or
 - immediately retake possession of the Lot and for that purpose the Purchaser hereby irrevocably grants to the Auctioneer and/or Vendor full leave and licence to enter into or upon any premises controlled by the Purchaser upon which the Lot may be or may reasonably be believed to be situated and to use any reasonable force as may be necessary for the purpose of repossessing the Lot, or as agent of the Purchaser to enter upon any other premises upon which the Vendor may enter for the purpose of repossessing the Lot, without notice to the Purchaser and without liability to the Purchaser or any person claiming under the Purchaser; and/or
 - resell the Lot by auction or private Sale at the risk and expense of the Purchaser and if upon such resale a lower price is obtained than that for which the Purchaser had agreed to buy the Lot, the Auctioneer or Vendor may recover the difference from the Purchaser as a debt due on demand together with interest from the date of Sale to the date of payment; and/or
 - exercise such other rights and remedies as the Vendor or Auctioneer may have against the Purchaser in respect of the Purchaser's default including, without limitation, recovering from the Purchaser all costs and expenses incurred in repossessing or attempting to repossess the Lot together with interest thereon and recovering from the Purchaser any expense of Sale, re-Sale, livery, agistment and Auctioneer commission so incurred; and/or
 - retain any deposit or part payment to the extent of twenty-five percent (25%) of the purchase price for the benefit of the Vendor.

13. RIGHTS AND LIABILITIES OF AUCTIONEER

- 13.1 The Auctioneer is selling any Lot at the Sale as agent for the Vendor whose name and address is disclosed in the Sales catalogue in respect of the Lot. Further, particulars of the Vendor of any Lot will be furnished by the Auctioneer immediately upon request. Except, as otherwise expressly provided to the contrary, the Auctioneer has no liability or rights as principal in the capacity of a Vendor.
- 13.2 In the event of any dispute including without limitation, as to defects in title, misdescription, pedigree, condition or otherwise, the Purchaser and the Vendor will settle the matter between

themselves and the Purchaser will have no rights against nor return any Lot to the Auctioneer which acts in respect of the Sale merely as agent for the disclosed Vendor.

- 13.3 Notwithstanding any representation or action by the Auctioneer which may indicate the contrary, the Auctioneer will be under no liability to the Vendor in respect of the Purchaser's failure to complete his purchase in accordance with these Conditions of Sale.
- 13.4 If the Auctioneer accounts to the Vendor for the purchase price or the balance of the purchase price owed to the Vendor less any monies owed by the Vendor to the Auctioneer, before the purchase price and other amounts payable by the Purchaser have been paid, title to the Lot will thereupon pass to the Auctioneer, and the Auctioneer will have the right and remedies under these Conditions as if it were the Vendor.
- 13.5 The description of all Lots has been provided by the Vendors, and the Auctioneer will not be liable or responsible for any error whatsoever in the description of the Lot.
- 13.6 The rights and remedies of the Auctioneer under these Conditions will not be affected by reason of the selling commission and charges of the Auctioneer having been deducted by the Auctioneer from any payment made by the Auctioneer to the Vendor. As between the Purchaser and the Auctioneer, the Purchaser waives all rights of set off, if any, the Purchaser may have against the Vendors between the Purchaser and the Vendor.
- 13.7 The Auctioneer or its servants may sign the Sale Book or any Memorandum of Sale on behalf of either the Vendor or the Purchaser or both.
- 13.8 The Auctioneer reserves all rights to use or publish details of biddings, the identity of the Vendor and the Purchaser and all matters related to the sale of any Lot as it thinks fit.
- 13.9 The Selling Agent will pay to the Vendor the net proceeds of Sale upon the expiration of twenty-eight (28) days following the date of Sale, provided always that payment will not be made until:-
- payment of the purchase price and sustaining payment have been made by the Purchaser in full;
 - delivery of the horse has been taken by the Purchaser;
 - all registration documents have been completed, signed and delivered to the Office of Racing Integrity; and
 - transfer of ownership has been fully effected.

14. CONDITIONS AND WARRANTIES

- 14.1 Other than for any express conditions, warranties or representations included herein, or as may be implied by Federal or State legislation (including the Competition and Consumer Act 2010 {Cwth}) and which may be excluded by agreement:
- all conditions, warranties and representations in respect of a Lot or a Sale are hereby excluded;
 - no condition, warranty or representation is given or implied or any be inferred from any affirmation made at or before the Sale or any of the circumstances of the Sale; and
