- 4 This Code of Conduct is independent of and in no way limits or varies the Rules of Racing made and in force under the *Racing Regulation Act 2004* or any licensing conditions which apply to participants of the racing industry in Tasmania who are licensed in respect to each code of racing and which are administered by ORI. Any breach of this Code of Conduct may be referred to ORI for independent investigation under the Rules of Racing and/or applicable licensing conditions;
- 5 This Code of Conduct does not cover any matters applicable to Tasracing's Whistleblower Policy. Any whistleblower related matters are to be dealt with exclusively under that policy.

- 4 reflect Tasracing's commitment to the highest standards of safety, honesty and integrity in meeting the needs of Tasracing and the community we serve, and in fulfilling Tasracing's obligations under the *Work Health and Safety Act 2012*;
- 5 outline the standards of conduct or behaviour expected at all times relevant to work and responsibilities;
