

26 April 2023

Spreyton Raceday Amenities Building Construction Works

As communicated on Friday of last week MeadCon has completed their site visit today to mark out the pot hole footprint. This site visit was to assess the impact prior to the pot holing works on 27 and 28 Apr 23 (tomorrow and Thursday).

Please see the updated drawing attached showing the affected locations and again please note that there is to be no vehicle or pedestrian traffic over these areas.

Tasracing Projects and Assets

**Spreyton Raceday Amenities Building Project –
Pot holes prior to construction**

- Notes:**
- 1. Pot hole works will take place on 27 and 28 Apr 23.
 - 2. MeadCon will commence works from 11am onwards
 - 3. Maintain horse separation from pot holing activities at all times.
 - 4. Do not park over pot hole locations or block access to locations.
 - 5. Pot holes will be gravel backfilled upon completion

Approximate Pot hole locations – beware of workers, machinery and fencing to delineate the work site. Vehicle and Pedestrian access prohibited

Road closed to public
Temporary access through fence for TasRacing traffic only.
Single Lane Traffic only – fencing to be erected around pot hole locations
