Spreyton Raceday Amenities Building Construction Works Revised Amended Track Timings

Further to yesterday's communications about revised track timings our plumbing contractor requires an additional day/s to reinstate the excavation back to normal surface level.

Therefore, the following track timings will apply:

From Wednesday, 24 May 23 until further notice the following track timings will be in effect:

- **Monday to Friday:** 0500hrs till 1100hrs with last horse on track no later than 1045hrs
- **Saturday:** 0530hrs till 1100hrs with last horse on track no later than 1045hrs

Current track timings are in effect until Wednesday, 24 May 23.

Previous track timings will be in effect when construction recommences. Tasracing will give as much notice as possible before construction recommences however, please note that the notice may be as short as 24hrs.

Thank you for your ongoing support and collaboration during the construction works.
