Greyhound Racing matters to Tasmanians.

Love of the dogs

Tasmanian greyhound racing participants **love their dogs**. They are bred, raised, raced and retired as a member of the family.

The thousands of Tasmanians directly and indirectly involved in greyhound racing are also farmers, teachers, nurses, parents, volunteers, friends and family. They are bonded by their love, passion and care for these beautiful animals who love the couch and curling up in front of the fire as much as they love to run.

Tasracing is committed to promoting the highest possible standards of health, safety and happiness of greyhounds.

Community building

Greyhound racing in Tasmania forms a fabric at the heart of almost every regional area of the state. Multiple generations of families have made greyhounds and racing part of their lives.

Racing clubs, racing participants and Tasracing support over **40 charitable organisations** each year through financial and in kind contributions.

Contribution to Tasmania's economy

Greyhound racing **returns \$53.2m each year** to the broader Tasmanian economy, benefiting hundreds of small businesses, families, suppliers and regional communities.

30% of this \$53.2m economic benefit is delivered to Tasmania's regional areas.

Funding

In 2020/21 greyhound racing received \$5.2m in Code Funding along with other funding for welfare and track maintenance.

This funding was used to deliver approximately \$9m of commercial revenue for the same period and generated **\$53.2m in economic benefit**.
