# “ It’s just a love for the horse. ”

I absolutely love that connection I have with them, their individual personalities, their characteristics. I form a bond with them, which I really love, and I get to know them, they become your best friends . . . that’s a real passion for me . . . **it’s exactly why I race.**

# YOUR BEST CHANCE TO GAIN A START

Trainers can and should accept for more than one race at a meeting. Trainers are strongly encouraged to nominate for multiple races that their horse is eligible for.

If you have a preference, these must be clearly advised either on the Fax Acceptance Form or on Harnessweb by a brief message in 'Nomination Comments' i.e. (01: 1st Pref, 02: 2nd Pref). Please keep preferences very brief (less than 25 characters).

If preferences are not advised by the closing time for acceptances ORI will place the horse at their discretion. A horse with a preference (2nd) may be moved to that race rather than left as the emergency in its first preference.

While preferences will be considered, ORI may place a horse at their discretion to maximise race numbers or field sizes.

If you are unsure if your horse is eligible for multiple races, please contact ORI **(03) 6777 1900**.

# RACING INFORMATION

# PROGRAMME CONDITIONS

Race programming details advertised in the Harness Calendar are correct at the time of publishing. Please refer to [Harness.org](http://Harness.org) for updated programmes.

## Races Divided by Points

When races are divided by points (high and lower points divisions), the Unfulfilled Engagements and Extended Races policies do not apply if the total number of acceptors is equal to, or less than, the combined field limits.

## Waiver

Race meeting details in this publication are published on behalf of Tasracing and the Office of Racing Integrity and reserve the right from time to time to alter the date of running, to make any alteration or modification to these races, to alter the sequence of races, to cancel the meeting or any portion thereof, and to alter the time for taking entries, declaration of handicaps or acceptances, and also the right to reject, at any time, any entry submitted to or for them. All races programmed will be run according to the Tasmanian Rules of Racing and under the Australian Handicapping Rules and the Handicapping Policies adopted by the Office of Racing Integrity unless specified in the conditions of the race.

## Manual Field Selection

Races advertised as "Manual Field Selection" will be selected by the Handicapping Panel. Horses deemed by the Handicapping Panel to be the best credentialed based on criteria including form over the last 10 starts, beaten margins, mile rates, class of opposition, class of races, positions in running, barrier

draws and interference received will be declared as starters in the field.

Manual Field Selection applies to all races with prize money of \$15,000 or more and heats of races where the final is \$15,000 or more, unless otherwise specified in the race conditions. A horse that has not previously had a race start has no exposed form. Therefore, horses that have had a race start will be included first under the Manual Field Selection Policy. Trial form will not be considered. If balloting is required with multiple unraced horses a random ballot will be conducted to determine which of the unraced horses gain a start.

## Heats & Finals

Please refer to the **General Conditions for Races Conducted as Heats and Final/Consolation** in the Office of Racing Integrity Harness Handicapping Schedule & Procedures:

# BLOCK NOMINATIONS

## 21ST OCTOBER 2023

### AUSTRALIAN DRIVERS CHAMPIONSHIP

The 30 to 75 national ratings nominations will be divided into 8. All races will be PBD/LTW.

The races will be formed as follows:

- All horses that do not have an unfulfilled engagement will be selected first
- Horses with unfulfilled engagements will then be included to the maximum number required for the heats
- Horses will then be selected in rating order (highest to lowest) to determine each field
- Field sizes will be 12
- No emergencies will be drawn
- All heats will be penalty free.

### To determine fields when a horse is on the same National Rating

For selection in the field – the horse/s with the highest field selection points will be first selected and if still equal, then the horse with the Highest Lifetime Wins and then by a random draw.

If there are less than the required number of nominations received to field the number of specified races, then those horses shall be starters and nominations will be extended with the remaining starters being selected from the extended nominations received from the lowest rating up. The horses selected as starters will then be divided into the specified number of races from the lowest rating up.

# EQUITY IN PARTICIPATION

EFFECTIVE 1 JULY 2023

## 1. OBJECTIVE:

The objective of this policy is to promote equity in participation.

## 2. POLICY

2.1. Except as otherwise provided for by this Policy, horses which are trained by or under the effective control of a trainer will not be selected to comprise more than fifty percent (50%) of the acceptors (excluding emergencies) in any race field.

2.1.1 Where the maximum field size, for any race is an odd number, the number of acceptors (excluding emergencies) trained by or under the effective control of a trainer, shall not exceed the number rounded down from 50% of the maximum field size. (Example: 50% of 11 is 5.5, maximum runners would be 5).

2.1.2 A horse that is an acceptor for a race but falls under Clause 8.8 (Last in Selection) of the Harness Handicapping Schedule & Procedures will continue to be selected in line with that clause.

2.2. This Policy does not apply to the following:

2.2.1. Feature races as defined in the Tasmanian Harness Feature Race Calendar.

2.2.2. Races that are finals from heats.

2.2.3. Races in which if the restriction in clause 2.1 of this Policy is applied, acceptances for that race will not see the maximum field size for the race achieved, in which case any remaining race field places can be filled by horses which would otherwise have been prevented from racing because of the restriction in clause 2.1.

2.3. The Controlling Body may decline to receive, or at any time after having received, reject any nomination or entry for a race in circumstances whereby the Controlling Body determines that the nomination or entry has been made in an attempt to circumvent this Policy.

2.4. In the event that any horse/s are to be restricted from participating in any race in consequence of this Policy, the Controlling Body will determine the order in which nominated horses are to be selected to participate in the race, in line with the conditions in place for that race.

2.5. Notwithstanding any provision of this policy, Tasracing reserves the right to make the final determination in relation to any aspect of the execution or interpretation of this policy.
