## **Spreyton Raceday Amenities Building Construction Works Preliminary Works**

From Monday, 21 Aug 23 our Principal Contractor, MeadCon, will take site possession of the existing raceday amenities building for the purpose of constructing the new raceday amenities building.

During the period 22 to 25 Aug 23 preliminary works will commence on the existing raceday amenities building that will include some minor asbestos removal. This work will be completed in accordance with industry standards and codes of practice.

Please ensure that you remain well clear of the construction site and do not breach any fencing to restricted areas under any circumstances

Thank you for your ongoing support and collaboration during the construction works of your new Raceday Amenities Building.
