

05 October 2023

Spreyton Raceday Amenities Building Construction Works Track Timings – Wednesday 18 Oct 23

On Wednesday, 18 Oct 23 the track timings at Spreyton will be restricted as follows:

- **18 Oct 23** – 0400hrs to 0530 hrs with **last horse on track no later than 0515hrs**

The restricted timings on 18 Oct 23 is to pour the lower concrete slab of the new Raceday Amenities Building. MeadCon will commence assembly of the concrete pump at 0530hrs, and the first concrete truck will be arriving at 0600hrs.

Due to the nature of bulk concrete pours the concrete trucks must not be delayed and the concrete trucks will have right of way while on site. The concrete trucks will be approaching site from the northern end of the site along Racecourse Rd and will stop and pump at the building site.

The internal road across site is closed for all traffic apart from concrete trucks until completion of the deliveries.

The pool is closed due to the requirement to cross the northern access road with continuous heavy concrete track traffic.

Access to the bullring and sand roll are unaffected as follows:

- **Bullring and Sand Roll:** 0500 till 1000hrs with due care and responsibility of the trainer to maintain awareness and separation from the construction site.

Normal track timings during construction resume on Thursday 19 Oct 23 as follows:

- **Monday to Friday:** 0430 till 0900hrs with **last horse on track no later than 0845hrs**
- **Saturday:** 0530 till 1100hrs

Thank you for your ongoing support and collaboration during the construction works of your new Raceday Amenities Building.
