Spreyton Raceday Amenities Building Construction Works Crane Movements 06 December 2023

On Wednesday, 06 December 2023, a Franna crane will be onsite at Spreyton to unload and place columns on the new amenities building commencing at 0900hrs.

A slew crane will then be on site to lift and place beams on the new amenities building commencing around 1200hrs.

Please note that the central access road through the site will be closed at the construction site during crane operations.
