Selection Panel

The selection panel is made up of individuals who represent the Harness Racing Industry in Tasmania. They have been selected to the panel as their knowledge of racing is highly regarded and they are respected individually by their peers. A Tasracing representative will oversee the voting and integrity process and has a casting vote in the event of a tie.

Selection Process

Submissions are received by Tasracing for induction at the following Harness Award Dinner. These nominations are included in the Hall of Fame dossier which consists of submissions received in previous years. The dossier is forwarded to the selection panel for review. Members of the panel are also eligible to forward any nominations to the Hall of Fame administrator (Tasracing) providing it is done so before the required date.

The selection panel will put forward feedback around the nominations for each category, presenting their case for selection. All feedback is compiled and forwarded back to the selection panel for final consideration. Each member is then asked to submit their selections for each category on a 6,5,4,3,2,1 vote.

In the event of a tie the Tasracing delegate will have the deciding vote.

Those wishing to submit nominations for any of the categories can do so in writing to Tasracing or email racing@tasracing.com.au.

Submissions must include detailed information as to why they should be selected, achievements, and/or contribution to the harness industry. If possible, photo's should also be included.
